**Outlines of Victorian Literature (Classic Reprint)** Hugh Walker, 2017-10-12 Excerpt from Outlines of Victorian Literature An attempt has been made to present the principal authors of the period not merely as writers but as men and for this reason it will be found that the biographical element is somewhat more copious than it usually is in similar books The purely critical element has of course been correspondingly curtailed The writers have made their choice deliberately under the conviction that the surest way to awaken the interest of beginners and especially of such as are young in years is to touch the note of personality About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
