Outrageous Fortune

Raffaela Di Napoli

Outrageous Fortune:

Outrageous Fortune Joe Cleary, 2007 Did Ireland produce a more radical and ambitious literature in the straitened circumstances of the first half of the twentieth century than it has managed to do since it began to modernize and become more affluent from the 1960s onwards Has Irish modernism ceded place to a prevailing naturalism that seems gritty and tough minded but that is aesthetically conservative and politically self thwarted Does the fixation with de Valera s Ireland in recent narrative represent a necessary settling of accounts with a dark abusive history or is it indicative of a worrying inability on the part of Irish artists and intellectuals to respond to the very different predicaments of the post Cold War world These are some of the questions addressed in *Outrageous Fortune* Scanning literature theatre film and music Joe Cleary probes the connections between capital culture and criticism in modern Ireland He includes readings of James Joyce and the Irish modernists the naturalists Patrick Kavanagh John McGahern and Edna O'Brien and comments too on what he terms the neo naturalism of Marina Carr Patrick McCabe and Martin McDonagh He concludes with a provocative analysis of the cultural achievement of the Pogues

Outrageous Fortune Tom Bower, 2006-11-07 The rise and fall of media tycoon Conrad Black and his journalist wife Barbara Amiel is one of the great stories of the modern business world In *Outrageous Fortune* London based journalist Tom Bower reveals how Conrad and Lady Black used other people s money to finance a billionaire s lifestyle winning friends and influence in London and New York along the way Their story of overweening ambition and greed is a modern day classic of hubris Born into considerable wealth in Canada Conrad Black bought and sold but never effectively managed several businesses from mining and tractors to broadcasting companies and newspapers In 1985 Black s holding company Hollinger bought the Telegraph Group the British newspaper publishing conglomerate In the years that followed Black additionally became the proprietor of the Chicago Sun Times the Jerusalem Post and a host of other magazines and newspapers in the English speaking world In 1992 Conrad married Barbara Amiel who later famously said I have an extravagance that knows no bounds Besotted by his wife he began living way beyond his means Fabulous parties jewelry clothes and multiple mansions followed and by 2001 Black had renounced his Canadian citizenship which he called an impediment to my progress in another more amenable jurisdiction in order to become a life peer in the British House of Lords But the scheming deceptive duo s lies came crashing down when in November 2003 an American report accused Black of outright fraud ethical corruption and corporate kleptocracy Black was forced out as Hollinger s chief executive and two years later he was charged with eight counts of fraud allegations that he will vigorously deny at his trial in Chicago beginning in March of 2007 Based on hundreds of interviews with bankers politicians journalists mega deal makers and close friends of Conrad and Lady Black *Outrageous Fortune* is packed with lively anecdotes and salacious gossip It is a hugely entertaining and engrossing account of gullibility in high places
