Outrageous Love:

Outrageous Love Sheila Walsh, 2004 A dynamic speaker and vocalist Sheila Walsh has developed a strong following through her appearances on The 700 Club and Women of Faith conferences Her latest book *Outrageous Love* invites readers to look at the bold choices that God has made to draw us to Him and the lavish ways that He cares for us each day As we acknowledge and respond to His outrageous love we enter into a joy that surpasses any trouble the world might present

Outrageous Love Tony Seigh, 2014-02-03 Tony Seigh's 1 Best Seller from 2014 *Idol Church, Idle Church* David M. Elliott, 2022-08-01 *Idol Church Idle Church* is a book that will draw you closer to Christ It examines what idolatrous religions are trying to accomplish with their faith and practices and then looks at Christianity and how it is different from other religions It shows how easy it is for followers of Jesus to slip from a dynamic relationship with Christ into the same philosophy as idolatrous religion The book is realistic about how difficult it is to resist the slide into idolatry or idolatrous thinking but does suggest ways to remain strong in Christ and move churches into dynamic relationship and away from status quo thinking and practice *Is God to Blame?* Gregory A. Boyd, 2009-09-20 *Is God to blame* This is often the question that comes to mind when we confront real suffering in our own lives or in the lives of those we love Pastor Gregory A Boyd helps us deal with this question honestly and biblically while avoiding glib answers Writing for ordinary Christians Boyd wrestles with a variety of answers that have been offered by theologians and pastors in the past He finds that a fully Christian approach must keep the person and work of Jesus Christ at the very center of what we say about human suffering and God's place in it Yet this is often just what is missing and what makes so much talk about the subject seem inadequate and at times even misleading What comes through in *Is God to Blame* is a hopeful picture of a sovereign God who is relentlessly opposed to evil who knows our sufferings and who can be trusted to bring us through them to renewed life

New standard song book and reciter, compiled by J. Diprose John Diprose, 1877 *Overliked* Rob Singleton, 2021-04-27 Wall Street Journal and USA Bestseller *How to Connect with What's Most Important in a Hyperconnected World* Social media has the power to do a lot of good but it can also get in the way of authenticity and create a sense of disillusionment In *Overliked* pastor and author Rob Singleton asks readers to take a closer look at the optics in their lives and in the world around them This is a book about understanding how to see likes and selfie culture for what they really are and how to connect with the heart of God to build out a new way of thinking about social image We have technology and social tools all at our disposal but when we recognize that so many in our culture now look for acceptance in how they're perceived feel pressure to project something about themselves that isn't true or take action based on facts that have been spun that's a problem that runs deep Singleton shows readers how to find their way through the complexities by pointing them to God who created truth genuine love and meaningful relationships Written for those who believe for this generation and the next that they need to get a better handle on what's real in this culture and in the lives of those they care about this book brings

authenticity and hope to the center of it all Singleton offers powerful insights into how we can better leverage the information in the world around us without losing who we are When we begin to see the real us behind the avatars we gain the clarity we need to live better love bigger and become who we were always meant to be *Birthing the Miraculous* Heidi Baker,2014-01-07 God has promised us miracles Are you willing to do what it takes to see them through We all desire the favor of God on our lives We eagerly pray and hope for His miracles promises and blessings But carrying the promises of God often means being stretched being inconvenienced and being patient to nourish those promises until it is God s time for them to be born In *Birthing the Miraculous* Heidi Baker weaves true stories from her life and ministry including personal visitations and life changing visions together with the biblical story of Mary s pregnancy with Jesus to show you how to become a catalyst for God s glory here on earth Sometimes God s promises seem bizarre implausible and even crazy But no matter how impossible His promises seem we can respond as Mary did with a yielded cry of Yes It is time to go into every realm of society carrying your promise believing for the impossible and watching God do the miraculous through you
