Outside Man Hides:

An Outside Man Michael Sellers, 2011-03-01 Fane Roskill from 1920 s England to Australia and New Guinea up to Japan war Risky Shores George Behlmer, 2018-07-17 In sparkling seamless prose Risky Shores offers fresh insights into the cultural encounters between the British and the Melanesians Dane Kennedy author of Decolonization Why did the so called Cannibal Isles of the Western Pacific fascinate Europeans for so long Spanning three centuries from Captain James Cook s death on a Hawaiian beach in 1779 to the end of World War II in 1945 this book considers the category of the savage in the context of British Empire in the Western Pacific reassessing the conduct of Islanders and the English speaking strangers who encountered them Sensationalized depictions of Melanesian savages as cannibals and headhunters created a unifying sense of Britishness during the nineteenth and early twentieth centuries These exotic people inhabited the edges of empire and precisely because they did Britons who never had and never would leave the home islands could imagine their nation s imperial reach George Behlmer argues that Britain s early visitors to the Pacific mainly cartographers and missionaries wielded the notion of savagery to justify their own interests But savage talk was not simply a way to objectify and marginalize native populations it would later serve also to emphasize the fragility of indigenous cultures Behlmer by turns considers cannibalism headhunting missionary activity the labor trade and Westerners preoccupation with the perceived primitiveness of indigenous cultures arguing that British representations of savagery were not merely straightforward expressions of colonial power but also belied home grown fears of social disorder A wonderful book beautifully researched compellingly written and vitally important to debates about race relations and agency in the Pacific world The result is an intellectual feast Jane Samson author of Race and Redemption **Outside In** Jennifer Bradbury, 2017-06-06 A compassionate story of homelessness and friendship recycled art and community Kirkus Reviews A twelve year old boy living on the streets of Chandigarh India stumbles across a secret garden full of sculptures and sees the possibility of another way of life as he bonds with the man who is creating the garden in this searingly beautiful novel based on a true story Twelve year old Ram is a street boy living behind a sign on a building s rooftop barely scraping by winning games of gilli for money occasionally given morsels of food through the kindness of Mr Singh a professor and father of his friend Daya But his prowess at gilli an outdoor game similar to cricket is what gets him into big trouble One day when he wins against some schoolboys fair and square the boys are infuriated As they chase Ram across town he flings his small sack of money over a factory gate where no one can get it and disappears into the alleyways But someone does get the money Ram discovers when he sneaks back later on to rescue what is his a strange ish man on a bike who also seems to be collecting rocks Ram follows the man into the jungle where he finds something unlike anything he s seen statues hundreds of statues no thousands of them Gods and goddesses and buildings all at half scale What is this place It seems that the rock collecting man Nek has built them all When Nek discovers that Ram has followed him he has no choice but to let the boy stay and earn back the money Nek has already spent How else

can he keep him quiet For his creations lie on land that isn't technically his to build on As Ram and Nek hesitantly become friends Ram learns the true nature of this hidden village in the jungle as well as the stories of Shiva and Lord Rama stories of gods and goddesses that in strange ways seem to parallel Ram's and Nek's Based on the true story of one of India's most beloved artists and modern day folk heroes Nek Chand was a real man a man displaced from his home in the midst of war and conflict a man who missed his home so terribly he illegally reconstructed his entire village in miniature out of found objects and rock recreating mosaic statues and sculptures spanning acres of jungle Though Ram is a fictionalized character Nek's artwork is real Intertwined with mythology and the sociopolitics of India this is an exquisitely wrought unexpected and singular tale about the connection of community and how art can help make us human **Traditions of the Arapaho**
