**Benzi Zhang**

## **Outspeaks A Rhapsody:**

Outspeaks Albert Saijo, 1997-01-01 Poetry Albert Saijo has the great vision most poets and painters never had Lawrence Ferlinghetti

**Asian American Poets** Guiyou Huang, 2002-05-30 Even though Asian American literature is enjoying an impressive critical popularity attention has focused primarily on longer narrative forms such as the novel And despite the proliferation of a large number of poets of Asian descent in the 20th century Asian American poetry remains a neglected area of study Poetry as an elite genre has not reached the level of popularity of the novel or short story partly due to the difficulties of reading and interpreting poetic texts The lack of criticism on Asian American poetry speaks to the urgent need for scholarship in this area since perhaps more than any other genre poetry most forcefully captures the intense feelings and emotions that Asian Americans have experienced about themselves and their world This reference book overviews the tremendous cultural contributions of Asian American poets Included are alphabetically arranged entries on 48 American poets of Asian descent most of whom have been active during the latter half of the 20th century Each entry begins with a short biography which sometimes includes information drawn from personal interviews The entries then discuss the poet's major works and themes including such concerns as family racism sexism identity language and politics A survey of the poet's critical reception follows In many cases the existing criticism is scant and the entries offer new readings of neglected works The entries conclude with bibliographies of primary and secondary texts and the volume closes with a selected general bibliography

**The Columbia Guide to Asian American Literature Since 1945** Guiyou Huang, 2006-08-08 The Columbia Guide to Asian American Literature Since 1945

**Asian Diaspora Poetry in North America , American Studies as Transnational Practice** Yuan Shu, Donald E. Pease, 2015-12-22 This wide ranging collection brings together an eclectic group of scholars to reflect upon the transnational configurations of the field of American studies and how these have affected its localizations epistemological perspectives ecological imaginaries and politics of translation The volume elaborates on the causes of the transnational paradigm shift in American studies and describes the material changes that this new paradigm has effected during the past two decades The contributors hail from a variety of postcolonial transoceanic hemispheric and post national positions and sensibilities enabling them to theorize a crossroads of cultures explanation of transnational American studies that moves beyond the multicultural studies model Offering a rich and rewarding mix of essays and case studies this collection will satisfy a broad range of students and scholars

Apparitions of Asia Josephine Park, 2014-09-01 Apparitions of Asia reads American literary expressions during a century of U S East Asian alliances in which the Far East is imagined as both near and contemporary Commercial and political bridges across the Pacific generated American literary fantasies of ethical and spiritual accord Park examines American bards who capitalized on these ties and considers the price of such intimacies for Asian American poets

**The Beats** Nancy Grace, 2021-03-11 This survey of the many little magazines carrying the Beat message is impressive in its coverage drawing attention to the importance of their

paratextual content in providing valuable socio political context The collection contains a range of insightful close readings astute contextualizing and inventive lateral pedagogical thinking charting the transformation of the Beat scene from its free wheeling self help heady revolutionary 1960 s days to its contemporary position as an increasingly respectable component of the curriculum The Beats A Teaching Companion is successful on a number of levels it is a noteworthy contribution to the ever expanding field of Beat studies and more broadly cultural studies and it is a collection that at its best gives hope that in referring to its ideas the inspired teacher may still be able to enlarge the lives of their students John Shapcott Keele University What Book!? Gary Gach,1994-04-30 With poems from spiritual teachers to jazz musicians from the monastery to the street What Book brings together a broad range of verse expressions of living in an awakened way A poet once located poetry as somewhere before or after words take place Mindfulness is the practice of finding that realm dwelling there and cultivating the ability to live completely in the present deeply aware and appreciative of life from the author s Preface This enigmatically titled anthology offers numerous delights and valuable evidence that great poetic variety from haiku and witty two liners to page long discourses has by now given distinct expression to Western Buddhism Publisher s Weekly

**Reimagining the American Pacific** Rob Wilson,2000 Discusses the makings of the American Pacific locality location identity as space and ground of cultural production and the way this region can be linked to Asia and Pacific as well as to American mainland The Cambridge Companion to the Beats Steven Belletto,2017-02-13 This Companion offers an in depth overview of the Beat era one of the most popular literary periods in America The Philosophy of the Beats Sharin N. Elkholy,2012-01-01 The phrase beat generation introduced by Jack Kerouac in 1948 characterized the underground nonconformist youths who gathered in New York City at that time Together these writers artists and activists created an inimitably American cultural phenomenon that would have a global influence In their constant search for meaning the Beats struggled with anxiety alienation and their role as the pioneers of the cultural revolution of the 1960s The Philosophy of the Beats explores the enduring literary cultural and philosophical contributions of the Beats in a variety of contexts Editor Sharin N Elkholy has gathered leading scholars in Beat studies and philosophy to analyze the cultural literary and biographical aspects of the movement including the drug experience in the works of Kerouac and Allen Ginsberg feminism and the Beat heroine in Diane Di Prima s writings Gary Snyder s environmental ethics and the issue of self in Bob Kaufman s poetry The Philosophy of the Beats provides a thorough and compelling analysis of the philosophical underpinnings that defined the beat generation and their unique place in modern American culture *Asian Diaspora Poetry in North America* Benzi Zhang,2007-12-12 Presenting a new way of reading that helps us discern some previously unnoticed or unnoticeable features of Asian diaspora poetry this volume highlights how poetry plays a significant role in mediating and defining cross cultural and transnational positions Asian diaspora poetry in North America is a rich body of poetic works that not only provide valuable material for us to understand the lives and experiences of Asian diasporas but also present us with an

opportunity to examine some of the most important issues in current literary and cultural studies As a mode of writing across cultural and national borders these poetic works challenge us to reconsider the assumptions and meanings of identity nation home and place in a broad cross cultural context In recent postcolonial studies diaspora has been conceived not only as a process of migration in which people crossed and traversed the borders of different countries but also as a double relationship between different cultural origins With all its complexity and ambiguity associated with the experience of multi cultural mediation diaspora as both a process and a relationship suggests an act of constant repositioning in confluent streams that accommodate to multiple cultural traditions By examining how Asian diaspora poets maintain and represent their cultural differences in North America Zhang is able to seek new perspectives for understanding and analyzing the intrinsic values of Asian cultures that survive and develop persistently in North American societies

**A Companion to American Poetry** Mary McAleer Balkun, Jeffrey Gray, Paul Jaussen, 2022-04-11 A COMPANION TO AMERICAN POETRY A Companion to American Poetry brings together original essays by both established scholars and emerging critical voices to explore the latest topics and debates in American poetry and its study Highlighting the diverse nature of poetic practice and scholarship this comprehensive volume addresses a broad range of individual poets movements genres and concepts from the seventeenth century to the present day Organized thematically the Companion s thirty seven chapters address a variety of emerging trends in American poetry providing historical context and new perspectives on topics such as poetics and identity poetry and the arts early and late experimentalisms poetry and the transcendent transnational poetics poetry of engagement poetry in cinema and popular music Queer and Trans poetics poetry and politics in the 21st century and African American Asian American Latinx and Indigenous poetries Both a nuanced survey of American poetry and a catalyst for future scholarship A Companion to American Poetry is essential reading for advanced undergraduate and graduate students academic researchers and scholars and general readers with interest in current trends in American poetry

**Be Always Converting, be Always Converted** Rob Wilson, 2009 Wilson s reconceptualization of the American project of conversion begins with the story of Henry p kaha ia the first Hawaiian convert to Christianity torn from his Native Pacific homeland and transplanted to New England Wilson argues that p kaha ia s conversion is both remarkable and prototypically American

**The Oxford Handbook of Modern and Contemporary American Poetry** Cary Nelson, 2012-01-06 The Oxford Handbook of Modern and Contemporary American Poetry gives readers a cutting edge introduction to the kaleidoscopic world of American poetry over the last century Offering a comprehensive approach to the debates that have defined the study of American verse the twenty five original essays contained herein take up a wide array of topics the influence of jazz on the Beats and beyond European and surrealist influences on style poetics of the disenfranchised religion and the national epic antiwar and dissent poetry the AIDS epidemic digital innovations transnationalism hip hop and more Alongside these topics major interpretive perspectives such as Marxist psychoanalytic disability queer and ecocritical are incorporated

Throughout the names that have shaped American poetry in the period Ezra Pound Wallace Stevens Marianne Moore Mina Loy Sterling Brown Hart Crane William Carlos Williams Posey Langston Hughes Allen Ginsberg John Ashbery Rae Armantrout Larry Eigner and others serve as touchstones along the tour of the poetic landscape Navigating Islands and Continents Cynthia G. Franklin, Ruth Hsu, Suzanne Kosanke, 2000-01-01 This is a collection of essays poems and interviews that explores the interrelations among Pacific Asian and continental U S identities and literatures The Wounded Season Frank Stewart, 1999 The Wounded Season highlights fiction from Korea The authors include Kong Sonok Ch oe Inhun Im Cholu and Yi Ch ongjun Also featured the first in a two part symposium on the art of translating poetry from Asian languages

**Los Angeles Magazine** , 1997-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian

**Gary Snyder and the Pacific Rim** Timothy Gray, 2006-10 In Gary Snyder and the Pacific Rim Timothy Gray draws upon previously unpublished journals and letters as well as his own close readings of Gary Snyder s well crafted poetry and prose to track the early career of a maverick intellectual whose writings powered the San Francisco Renaissance of the 1950s and 1960s Exploring various aspects of cultural geography Gray asserts that this west coast literary community seized upon the idea of a Pacific Rim regional structure in part to recognize their Orientalist desires and in part to consolidate their opposition to America s cold war ideology which tended to divide East from West The geographical consciousness of Snyder s writing was particularly influential Gray argues because it gave San Francisco s Beat and hippie cultures a set of physical coordinates by which they could chart their utopian visions of peace and love Gray s introduction tracks the increased use of Pacific Rim discourse by politicians and business leaders following World War II Ensuing chapters analyze Snyder s countercultural invocation of this regional idea concentrating on the poet s migratory or creaturely sensibility his gift for literary translation his physical embodiment of trans Pacific ideals his role as tribal spokesperson for Haight Ashbury hippies and his burgeoning interest in environmental issues Throughout Gray s citations of such writers as Allen Ginsberg Philip Whalen and Joanne Kyger shed light on Snyder s communal role providing an amazingly intimate portrait of the west coast counterculture An interdisciplinary project that utilizes models of ecology sociology and comparative religion to supplement traditional methods of literary biography Gary Snyder and the Pacific Rim offers a unique perspective on Snyder s life and work This book will fascinate literary and Asian studies scholars as well as the general reader interested in the Beat movement and multicultural influences on poetry *Historical Dictionary of Asian American Literature and Theater* Wenying Xu, 2022-08-15 A Library Journal Best Reference Book of 2022 This book represents the culmination of over 150

years of literary achievement by the most diverse ethnic group in the United States Diverse because this group of ethnic Americans includes those whose ancestral roots branch out to East Asia Southeast Asia South Asia and Western Asia Even within each of these regions there exist vast differences in languages cultures religions political systems and colonial histories From the earliest publication in 1887 to the latest in 2021 this dictionary celebrates the incredibly rich body of fiction poetry memoirs plays and children s literature Historical Dictionary of Asian American Literature and Theater Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries on genres major terms and authors This book is an excellent resource for students researchers and anyone wanting to know more about this topic
