Congress. House. Committee on Interstate and Foreign Commerce,1910 How to be both Ali Smith,2014-12-02 MAN BOOKER PRIZE FINALIST A novel all about art s versatility borrowing from painting s fresco technique to make an original literary double take Cements Smith s reputation as one of the finest and most innovative of our contemporary writers By some divine alchemy she is both funny and moving she combines intellectual rigor with whimsy The Los Angeles Review of Books One of the New York Times s 100 Best Books of the 21st Century How to be both is a fast moving genre bending conversation between forms times truths and fictions There s a Renaissance artist of the 1460s There s the child of a child of the 1960s Two tales of love and injustice twist into a singular yarn where time gets timeless structural gets playful knowing gets mysterious fictional gets real and all life s givens get given a second chance Passionate compassionate vitally inventive and scrupulously playful Ali Smith s novels are like nothing else A NOTE TO THE READER Who says stories reach everybody in the same order This novel can be read in two ways and the eBook provides you with both You can choose which way to read the novel by simply clicking on one of two icons CAMERA or EYES The text is exactly the same in both versions the narratives are just in a different order The ebook is produced this way so that readers can randomly have different experiences reading the same text So depending on which icon you select the book will read EYES CAMERA or CAMERA EYES Your friend may be reading it the other way around Enjoy the adventure Having both versions in the same file is intentional **Condition Red Area 51** DeWayne Harper,2013-11-27 July 9 1947 Roswell New Mexico A young boy tags along with his father to the Roswell Army Air Field and witnesses something he was not to see or know about until fifty three years later August 5 2000 Garden Plains Kansas A massive alien craft is spotted hovering by local citizens and darts off to the Northwest somewhere in Colorado where it starts to tailgate commercial Flight 311 on its way to Oklahoma City Three F 15 aircrafts are scrambling to intercept and investigate this unknown intruder The alien craft darts off to the Southeast and the three F 15s give pursuit of the unknown intruder The alien craft is able to lose the F 15s in a thunderstorm near Roswell and history repeats itself some fifty three years later **Saul and Patsy** Charles Baxter,2007-12-18 From the winner of the PEN Malamud Award for Excellence and one of our most gifted writers Chicago Tribune Saul and Patsy is stunning never predictable glimmering fiction full of mischief and insight The Los Angeles Times Five Oaks Michigan is not exactly where Saul and Patsy meant to end up Both from the East Coast they met in college fell in love and settled down to married life in the Midwest Saul is Jewish and a compulsively inventive worrier Patsy is gentile and cheerfully pragmatic On Saul s initiative and to his continual dismay they have moved to this small town a place so devoid of irony as to be virtually a museum of

earlier American feelings where he has taken a job teaching high school Soon this brainy and guiltily happy couple will find children have become a part of their lives first their own baby daughter and then an unloved unlovable boy named Gordy Himmelman It is Gordy who will throw Saul and Patsy s lives into disarray with an inscrutable act of violence As timely as a news flash yet informed by an immemorial understanding of human character Saul and Patsy is a genuine miracle The Florida Caper David Celley,2015-07-24 A rare and valuable jewelry piece is stolen from the Palm Beach mansion of a wealthy industrialist The piece itself called the Eye of the Sun includes fragments of the famous Hope Diamond rumored to be cursed The industrialist asks his nephew Greg to find the lost treasure with the assistance of private investigators Mike and Tina The twisted trail of the Eye of the Sun leads up and down South Florida and over to San Juan Puerto Rico but finally ends at the mansion of a powerful drug dealer in the Bahamas Greg uses his charm to befriend an attractive Cuban American named Flora along with sly tipster Olivetti With their help Greg and his team steal the Eye of the Sun back But just when he thinks his troubles are over Greg begins to suspect the Hope Diamond curse to be true He and anyone who comes into contact with the Eye of the Sun are on a downward spiral toward destruction The only way to save their lives is to discover who stole the necklace in the first place before its too late **Project Independence** United States.
