44 Days Backpacking in China: The Middle Kingdom in the 21st Century, with the United States, Europe and the Fate of the World in Its Looking Glass Jeff J. Brown, 2022-09-04. Praise for 44 Days: What if Alexis de Tocqueville were fluent in Mandarin and traveling through China by backpack and bullet train? He would record every encounter and analyze China's national character with remarkable lucidity. He would produce a book full of telling insights that functioned like a five-dimensional chess game. It would be a guide book travel companion memoir political history and plain old pleasure for someone who likes their prose with pith in it. Oklahoma's latter-day Tocqueville Jeff J. Brown is one hell of a good story teller and traveling with him deep into China is an adventure not to be missed. Thomas Bass, Author of *The Spy Who Loved Us*, *Vietnam: America Camping with the Prince*, *Reinventing the Future* and *The Eudaemonic Pie*. 44 Days is a delightful romp through a changing China and Jeff Brown is an excellent guide. John Pomfret, author of *Chinese Lessons*, *Five Classmates* and *the Story of the New China*. 44 Days is a fascinating exploration of the people of China and the land in which they live. Brown is very knowledgeable of China's government and the country's millennia-old history. He obviously enjoys not just his travels but the people he meets. While he journeys we journey with him. Jeff Brown is an intelligent articulate and entertaining writer and 44 Days is absolutely enthralling. I highly recommend it. Mick Winter, author of *Cuba for the Misinformed*, *Facts from the Forbidden Island*. Much more than just a travelogue 44 Days is an intimate dialogue with China's peoples their histories regions economies cultures work foods and future. Unabashedly iconoclastic and a contrarian's delight.

Jeff brings down many a golden calf as he writes as few travelers do putting China's relations and rapid arc of development in perspective with the United States and Europe making 44 Days a fascinating and unique approach to today's critically important world affairs. Traveling over 12 000km by train and bus walking hundreds more while climbing a few of those in vertical ascent join Jeff as he reports from the ground up on the greatest socioeconomic transformation ever seen 21st century China our planet's soon to be greatest superpower How will Baba Beijing China's central government behave while honoring its 2 200 year old Heavenly Mandate for 20% of the human race After 500 years of being masters of the world what will the great historical Industrial Age powers do in response adapt or lash out All of our standards of living and lifestyles even our species survival depend on these soon to be events Funny enlightening with an eye for the right details 44 Days provides unique perspectives to these new century issues It will keep you amused and thinking as Jeff takes you traveling in across and over five wild and wooly Western China provinces face to face with the local people Includes 125 photos maps and charts Read less

Foreign Diplomacy in China, 1894-1900 Philip Joseph, 2018-10-10. This book first published in 1928 examines the first diplomatic contacts between China and the West. China had not always been isolated from the Western world as travellers had visited China in the Middle Ages, but it was not until the end of the eighteenth century that efforts were first made to establish regular relations with China. This book traces the development of diplomatic relations from the Treaty of Nanking in 1842 to the start of the twentieth century.

The New Middle Kingdom Kendall Johnson, 2017-04-25. Examining the influential accounts of Westerners at the center of early US cultural development abroad, Johnson conceives a romance of free trade with China as a quest narrative of national accomplishment in a global marketplace. Drawing from a richly descriptive cross-cultural archive, the book presents key moments in early relations among the twenty-first century's superpowers through memoirs, biographies, epistolary journals, magazines, book reviews, fiction, and poetry by Melville, Twain, Whitman, and others; travel narratives and treaties as well as maps and engraved illustrations. Paying close attention to figurative language, generic forms, and the social dynamics of print cultural production and circulation, Johnson shows how authors, editors, and printers appealed to multiple overlapping audiences in China, in the United States, and throughout the world.

Global Perspectives in Modern Italian Culture Guido Abbattista, 2021-09-22. *Global Perspectives in Modern Italian Culture* presents a series of unexplored case studies from the sixteenth to the twentieth century, each demonstrating how travellers, scientists, Catholic missionaries, scholars, and diplomats coming from the Italian peninsula contributed to understandings of various global issues during the age of early globalization. It also examines how these individuals represented different parts of the world to an Italian audience and how deeply Italian culture drew inspiration from the increasing knowledge of world otherness. The first part of the book focuses on the production of knowledge drawing on texts written by philosophers, scientists, historians, and numerous other first-hand eyewitnesses. The second part analyses the dissemination and popularization of knowledge by focussing on previously understudied published works and initiatives aimed at learned Italian readers and the general public. Written in a lively and engaging manner, this book will appeal to scholars and students of early modern and modern European history as well as those interested in global history.

Adrienne Ward, 2010 *Pagodas in Play* analyzes the treatment of China in the imaginative and spectacular world of eighteenth century Italian opera. It shows how Italians used perceptions of Chinese culture to address local and transnational developments particularly Enlightenment and secular reform initiatives. Its focus on the texts and performance practices of opera, an entertainment form accessible to a wide public, reveals cultural operations and identities harder to detect in non-fictional reformist writings, the texts traditionally privileged to explain Italian mediations of Enlightenment ideas. In its close reading of nine libretti of the most salient Settecento operas treating China, *opere serie* and *opere buffe* by authors including Metastasio, Zeno, Goldoni, and Lorenzi, *Pagodas in Play* differentiates Italian iterations of Chinese culture from French and English counterparts. It further challenges certain tenets of orientalism, showing how it operates when nationalist and/or colonialist projects are absent and how orientalist practices in eighteenth century Italy exhibit early on the complexity some scholars locate only in the twentieth century. Adrienne Ward teaches Italian literature and culture at the University of Virginia.

Pearl S. Buck Peter Conn, 1998-01-28 One of the most popular novelists of the twentieth century, winner of a Pulitzer and Nobel Prize for Literature and an active social and political campaigner, particularly in the field of women's issues and Asian American relations, Pearl Buck has until now remained hidden in public view. Best known perhaps as the prolific author of *The Good Earth*, Buck led a career which extended well beyond her eighty works of fiction and non-fiction and deep into the public sphere. In this critically acclaimed biography, Peter Conn retrieves Pearl Buck from the footnotes of literary and cultural history and reinstates her as a figure of compelling and uncommon significance in twentieth century literary, cultural, and political history.

Taking Christianity to China Wayne Flynt, Gerald W. Berkley, 1997-01-30 Beginning early in the 19th century, the American missionary movement made slow headway in China. Alabamians became part of that small beachhead. After 1900, both the money and personnel rapidly expanded, peaking in the early 1920s. By the 1930s, many American denominations became confused and divided over the appropriateness of the missionary endeavor. Secular American intellectuals began to criticize missionaries as meddling do-gooders trying to impose American Evangelicalism on a proud ancient culture. By examining the lives of 47 Alabama missionaries who served in China between 1850 and 1950, Flynt and Berkley reach a different conclusion. Although Alabama missionaries initially fit the negative description of Americans trying to superimpose their own values and beliefs on heathen, they quickly learned to respect Chinese civilization. The result was a new synthesis, neither entirely southern nor entirely Chinese. Although previous works focus on the failure of Christianity to change China, this book focuses on the degree to which their service in China changed Alabama missionaries. And the change was profound. In their consideration of 47 missionaries from a single state, their call to missions, preparation for service in China, living/working contacts back home, cultural clashes, political views, internal conflicts, and gender relations, the authors suggest that the efforts by Baptist, Methodist, and Presbyterian missionaries from Alabama were not the failure judged by many historians. In fact, the seeds sown in the hundred years before the Communist revolution

in 1950 seem to be reaping a rich harvest in the declining years of the 20th century when the number of Chinese Christians is estimated by some to be as high as one hundred million The Last Empress Keith Laidler,2005-01-21 In 1851 a sixteen year old girl named Yehonala entered the Imperial Palace of China as a concubine third grade leaving behind her family the love of her life and nearly all contact with the outside world She emerged as Tsu Hsi Dowager Empress of China and one of the most powerful autocrats in history A fascinating tale of love betrayal murder intrigue and survival The Last Empress offers remarkable insight into life behind the closed doors of the forbidden city Continent ,1925 *The Chinese Recorder and Missionary Journal* ,1871 *Chinese Recorder and Missionary Journal* ,1871
