

THE *SUNDAY TIMES* BESTSELLING AUTHOR

The book cover features a young woman with long, wavy brown hair and a serious expression, wearing a maroon dress. She is positioned in the foreground, looking slightly to the right. The background is a historical industrial scene with brick buildings, several tall chimneys emitting thick black smoke, and a cloudy sky. Two birds are flying in the upper left portion of the sky. The title 'Freda LIGHTFOOT' is written in a large, elegant white serif font, with 'Freda' in script and 'LIGHTFOOT' in all caps. Below it, 'Polly's War' is written in a smaller, pinkish-red script font.

Freedom at Risk Carol Wilson,2021-10-21 Kidnapping was perhaps the greatest fear of free blacks in pre Civil War America Though they may have descended from generations of free born people or worked to purchase their freedom free blacks were not able to enjoy the privileges and opportunities of white Americans They lived with the constant threat of kidnapping and enslavement against which they had little recourse Most kidnapped free blacks were forcibly abducted but other methods such as luring victims with job offers or falsely claiming free people as fugitive slaves were used as well Kidnapping of blacks was actually facilitated by numerous state laws as well as the federal fugitive slave laws of 1793 and

1850 Greed motivated kidnappers who were assured high profits on the sale of their victims As the internal slave trade increased in the early nineteenth century so did kidnapping If greed provided the motivation for the crime racism helped it to continue unabated Victims usually found it extremely difficult to regain their freedom through a legal system that reflected society's racist views perpetuated a racial double standard and considered all blacks slaves until proven otherwise Fortunate was the victim who received assistance sometimes from government officials most often from abolitionists Frequently however the black community was forced to protect its own and organized to do so sometimes by working within the law sometimes by meeting violence with violence Mining newspaper accounts memoirs slave narratives court records letters abolitionist society minutes and government documents Carol Wilson has provided a needed addition to our picture of free black life in the United States
