inspired by the Holy Spirit has blessed millions of people through his televangelism program Hour of Grace and many have testimonies of healing deliverance and signs and wonders To God be the glory as you read this book you will be divinely inspired by the Holy Spirit and blessed to do great things Amen *Get Your Dreams Right and Be Successful* Tella

Olayeri, 2024-11-06 This book emphasizes that it is good to interpret dreams shown in the spirit in order to fulfill your vision and mission. It is compelling to understand and decode the symbolic messages we receive in our dreams. Dreams, particularly those inspired by the Spirit, hold significant meaning and can offer guidance, warnings, or revelations about our personal lives, spiritual journey, and future. By interpreting these dreams, individuals can uncover divine insights that propel them toward fulfilling their God-given purpose. Dreams are not random occurrences but spiritual communications. These are spiritual dreams. In real life, we have dreams to fulfill. *Get your dream right and be successful* is a book that emphasizes the importance of clarity, purpose, and actionable steps in achieving success. Dreams or long-term visions are the driving force behind personal fulfillment and success, but only when they are pursued with the right mindset and strategy. Everyone has dreams, whether they are related to career, relationship, finance, or personal growth. Once the dream is identified, the book shifts focus toward the practical steps necessary to turn the dream into reality. Another core concept is the importance of resilience and adaptability. The path to success is rarely direct but often filled with challenges and setbacks. However, these obstacles are framed as opportunities for growth rather than failures. The book encourages readers to stay committed to their vision, adjust their strategies when needed, and maintain a positive, growth-oriented mindset. Moreover, the book discusses the significance of surrounding oneself with the right people. It advocates building a network of mentors, peers, and supporters who can provide guidance, feedback, and encouragement along the way. The right environment plays a critical role in maintaining motivation and focus. The book also talks at length about speaking against the spirit of arrogance and rudeness that chase loved ones and the like away. The book portrays pride, rudeness, or self-importance as a spiritual force that can blind individuals to their need for God and prevent them from cultivating humility. This book serves as both a motivational guide and a practical handbook for anyone looking to achieve their aspirations. It blends personal development techniques with actionable strategies, urging readers to dream big but also to plan well. It is said success is not just about dreaming but about turning those dreams into a reality with purpose, persistence, and the right approach. You will gain much in this book among the followings: Clarity of Vision: You will learn how to clarify your dreams and set achievable goals. Actionable Strategies: You will gain practical steps to break your dreams into manageable tasks. Overcoming Obstacles: You will understand how to identify and overcome challenges that may block your progress.
