**Illicit King: Dark Mafia Romance** Anya Sugar, 2025-08-15 Scarlett Being Angelo's girlfriend was never going to be simple not when he's the son of the most feared man in town I thought my biggest problem would be surviving the gossip but danger doesn't just whisper in the shadows anymore it's knocking on our door His world is pulling me in deeper forcing me to face enemies expectations and my own fears I love him more than I ever thought possible but love in this world comes with a price Angelo Scarlett still thinks she can keep one foot in the light but my world doesn't work like that Every day she's with me the risks get bigger and so does my need to protect her The same people who'd kill me without hesitation won't think twice about using her to get to me I'll face the fallout the enemies and even my own family if I have to Because keeping Scarlett safe isn't just my job it's my promise This is the second book in the *Empire of Shadows* Series Reading order Deviant King Illicit King Savage King [One Party After Another](#) Michael Crick, 2022-02-03

Enormously readable excellent Dominic Sandbrook Sunday Times A superb piece of thorough journalism David Aaronovitch The Times Nigel Farage is arguably one of the most influential British politicians of the 21st century His campaign to take the UK out of the EU began as a minority and extreme point of view but in June 2016 it became the official policy of the nation after a divisive referendum In Michael Crick's brilliant biography *One Party After Another* we find out how he did it despite never once managing to get elected to Parliament until 2024 Farage left public school at the age of 16 to go and work in the City but in the 1990s he was drawn into politics joining UKIP Ironically it was the electoral system for the European Parliament that gave him access to a platform and he was elected an MEP in 1999 His everyman persona combined with a natural ability as a maverick and outspoken performer on TV ensured that he garnered plenty of media attention His message resonated in ways that rattled the major parties especially the Conservatives and suddenly the UK's membership of the EU was up for debate Controversy was never far away with accusations of racism against the party and various scandals But having helped secure the referendum Farage was largely sidelined by the successful official Brexit campaign When Parliament struggled to find a way to leave Farage created the Brexit Party to ensure Britain did eventually leave the EU early in 2020 Crick's compelling study takes the reader into the heart of Farage's story assessing his methods uncovering remarkable hidden details and builds to an unmissable portrait of one of the most controversial characters in modern British politics

that time we had been a country in deep crisis for 22 months farms were being violently grabbed every day people were on the run everywhere torture terror burning and looting were daily occurrences political violence was widespread and anyone involved or supporting opposition politics was in danger and under attack In the week before the first SW Radio Africa broadcast four men were brutally murdered in political violence their names and their sacrifice for Zimbabwe have not been forgotten Trymore Midzi Bindura Titus Nheya Karoi Milton Chambati Magunge and Laban Chiweta Bindura At the end of their first broadcast on the 19th December 2001 SW Radio Africa closed with a message sung by and for Zimbabweans hold on just a little bit longer We are still trying to hold on but it was with great sadness this week to hear SW Radio Africa make the announcement we so dreaded Station Manager Gerry Jackson said that their short wave radio broadcasts would end on Friday the 18th of July Gerry thanked Zimbabweans for being such loyal supporters for sharing their stories and bringing SW Radio Africa into their homes for thirteen years Zimbabwe will never forget SW Radio Africa or any of their staff whose voices have retold our horror stories lived with us through our anguish and cried with us at each inhumanity I have been proud to have had my letters from Zimbabwe read on SW Radio Africa for the last thirteen years it has been a humbling experience My second book containing an edited collection of those letters is now in print Millions billions trillions tells the story of Zimbabwe from 2005 to February 2009 It was a time of madness that most of us would rather forget but it is a part of us and of our history Publisher website
