Search for Meaning Antonio R. Gualtieri,1991 **Sacred Pathways: Exploring the World's Major Religions** Lionel Oneill,2024-12-10 Sacred Pathways Exploring the World's Major Religions offers a comprehensive exploration of the world's major religious traditions taking readers on a fascinating journey through the rich tapestry of spiritual beliefs and practices. This book provides a deep understanding of the fundamental principles, core values, and historical contexts of each religion. From Hinduism's ancient origins to New Age spirituality's modern practices, this comprehensive guide illuminates the diverse ways in which people throughout history have sought meaning, purpose, and connection with the divine. **Dagoes Read** Fred L. Gardaphé,1996 Since 1987, writer and critic Fred Gardaph has regularly reviewed Italian North American literature in *Fra Noi*, an Italian American monthly newspaper based in Chicago. This volume features the best of Parole Scritte, his monthly columns. Introduced by an essay from which the collection gets its title, *Dagoes Read* is the first publication of its kind in the history of Italian North American literature. It serves as a fine introduction to this literary movement as well as a survey of recent publications by Italian North Americans. Works reviewed include those by Tony Ardiaone, Dorothy Bryant, Pietro di Donato, John Fante, Maria Mazziotti Gillan, Frank Lentricchia, Jay Parini, Diane Raptosh, Gay Talese, Sal LaPuma, and many others. *Exploring Religion and Ethics* Peta Goldberg, Patricia Blundell, Trevor Jordan,2011-04 **EXPLORING RELIGION AND ETHICS** is written by leading educators and experienced practising teachers to meet the requirements of the Religion and Ethics SAS in Queensland. It offers a vast array of learning opportunities that draw on a three-tiered model of personal, relational, and spiritual dimensions and encourages students to explore how these dimensions relate to their own religious beliefs. It features clear, concise, and student-friendly language that caters for different learning abilities and styles. Learning and assessment activities that engage and extend students. A wide range of valuable time-saving teacher support resources for additional classwork, homework, and assessment are available on Cambridge GO. *World Faiths Encounter*,1992 *Interviews with the Phoenix* Fulvio Caccia,1998 This book of interviews has a parallel structure: on one level, it describes the careers of fifteen artists of Italian origin; on another level, invisible and subterranean, it depicts the life of the Italian community in Montreal, which instead of being interpreted, interprets; instead of being a passive object, becomes a subject active in and through history, reflecting and refracting it in the course of its own metamorphosis, like the phoenix dying in the night and rising again in the morning. Persons interviewed: Francesco Iacurto, Guido Molinari, Mario Merola, Vittorio Fiorucci, Tonino Caticchio, Camillo Carli, Flippo Salvatore, Marco Fraticelli, Mary Malfi, Mario Campo, Paul Tana, Dominique De Pasquale, Marco Micone, Antonio D'Alfonso, and Lamberto Tassinari. **Permanent Economic Disorder** Shahzavar Karimzadi,2022-12-12 All schools of thought in economics explicitly or otherwise have referred to economic disorder as a self-evident fact. They have also unanimously considered it to be a temporary state. By contrast, this book contends that economic disorder is an interminable condition of human existence. From this perspective, the present study

brings to light the misunderstanding of successive generations of economists on economic disorders This book provides an alternative exposition of economic disorder and correctional measures that can be taken in order to correct these misconceptions The analysis offered in this book is a scholarly work that provides a thorough explanation of the hidden dimensions and multiple aspects of economic disorders Much of this book is devoted to uncovering the origins of such dimensions to further refine our understanding of the development of contemporary economies To this end this book also outlines how to tackle some of the most intriguing issues of our time It seeks to provide a refreshing recount of the tenets of economic disorders This book is a major contribution to the literature on economic disorder and crises and will be of great interest to readers of economic theory philosophy of economics and the history of economic thought PHILOSOPHICAL REFLECTIONS ABOUT WINE DAVID SANDUA,2024-01-06 This book invites the reader on an intellectual and sensory journey through the world of wine It explores how something as common as a glass of wine can open doors to profound philosophical reflections Throughout its pages it discusses how wine beyond being a simple beverage with aesthetic and hedonistic qualities can be a catalyst for questioning our subjective experiences investigating the nature of pleasure and discovering the complexities of perception and aesthetics The book seeks to demonstrate that even the most everyday aspects of life are deeply intertwined with significant philosophical questions thus offering a new perspective on wine and its place in our understanding of the world **In Italics** Antonio D'Alfonso,1996 Poet and novelist Antonio D Alfonso has been writing essays and giving in depth interviews for twenty years This collection contains the most important of these texts which have been reworked into a coherent entity D Alfonso discusses the importance of ethnic awareness which he places at the antipodes of territorial nationalism for which ethnicity is too often mistaken The themes raised in this eclectic book relate to general culture language literature film and publishing he founded Guernica Editions in 1978 Though it is the Italian perspective which the author prefers to call Italic that is favored the themes and concepts developed are applicable to other cultures and countries In Italics is a polemical and unblushing defense for the individual s right to a collective Imaginary no matter which country one lives in The Broken Web of Reason Pasquale De Marco,2025-07-25 In a world increasingly defined by technological advancements and market forces our ability to control our own destiny is under threat We have entered the postmodern era a time of uncertainty and fragmentation where many feel lost and directionless The Broken Web of Reason explores the impact of postmodernism on our understanding of truth reason and reality It examines the rise of misinformation the decline of critical thinking and the challenges facing education and institutions in a rapidly changing world Through a multidisciplinary lens this book delves into the psychological sociological and political implications of postmodernism It analyzes the loss of certainty the erosion of community and the threat to democracy and civil liberties It also examines the cultural manifestations of postmodernism in art film literature music and architecture The Broken Web of Reason is a timely and thought provoking examination of the challenges facing our society in the postmodern era It offers a

nuanced understanding of the complexities of our current world and provides insights that can help us navigate the uncertainties that lie ahead This book is essential reading for anyone interested in the impact of postmodernism on our world It is a valuable resource for scholars students policymakers and anyone who seeks to understand the challenges and opportunities of the twenty first century About the Author Pasquale De Marco is a leading expert on postmodernism and its impact on society He has written extensively on the topics of truth reason and reality in the postmodern era His work has been published in numerous academic journals and books and he has lectured widely on the subject If you like this book write a review
