the first of the three conflicts that they fought against the Roman Republic the famous Punic Wars the Carthaginians completely reformed their land forces along Hellenistic lines and invited an experienced Spartan officer to command it During the Second Punic War they obtained a series of stunning victories over the Romans under the brilliant leadership of their own Hannibal Barca marauding through Italy for some fifteen years Gabriele Esposito reconstructs the history organization and weapons of the Carthaginian military forces across the Punic Wars 264 146 BC The weapons armor and tactics of each of the various ethnic components is analyzed and the accessible text is supported by dozens of excellent color photographs showing replica equipment in use
