The Back Of Beyond James Charles Roy, 2009-02-18 James Charles Roy a noted authority on Irish history and travel escorts a disparate group of Americans through the lonely backwaters of ancient Ireland Visions of a glorious enterprise evaporate as he sees a dejected and weary handful of aged American tourists disembark at Shannon Airport Fortified by Guinness Roy hurls himself into sharing with them the joys and wonders of Ireland s twisted byways Determined to avoid clich Roy leads his group to obscure Celtic coronation sites monasteries and remote abbeys as he spins a narrative that pulls Ireland s chaotic story into coherence His unsuspecting charges begin to shed their hesitancies relishing their guide s idiosyncratic approach to Ireland Black comedy aside Roy touches an emotional chord how the economic phenomenon known as the Celtic Tiger has transformed Old Ireland into a high tech power At the tour s end Roy embarks alone for the inaccessible Ardoilean a seventh century Celtic hermitage in County Galway His vision of an Ireland lost forever is an emotional tour de force

Irish on the Inside Tom Hayden, 2020-05-05 Tom Hayden first realized he was Irish on the inside when he heard civil rights marchers in Northern Ireland singing We Shall Overcome in 1969 Though his great grandparents had been forced to emigrate to the US in the 1850s Hayden s parents erased his Irish heritage in the quest for respectability In this passionate book he explores the losses wrought by such conformism Assimilation he argues has led to high rates of schizophrenia depression alcoholism and domestic violence within the Irish community Today s Irish Americans Hayden contends need to re inhabit their history to recognize that assimilation need not entail submission By recognizing their links to others now experiencing the prejudice once directed at their ancestors they can develop a sense of themselves that is both specific and inclusive The survival of a distinct Irish soul is proof enough that Anglo culture will never fully satisfy our needs We have a unique role in reshaping American society to empathize with the world s poor for their story is the genuine story of the Irish

Irish Stereotype in American Cinema Piotr Szczypa, 2021-08-04 Discussing the role of violence in the Irish stereotype this book is a fascinating story of the changing perception of the Irish in America as told by American cinema From Levi and Cohen Irish Comedians 1903 to The Irishman 2019 some of the productions analyzed here are timeless classics others have almost been forgotten What they have in common is the presence of violence as the key ingredient in the construction of Irish characters In his insightful study Piotr Szczypa employs imagological perspective to investigate the evolution of their portrayal in American films showing not only how the Irish have adjusted to America but also how America has embraced Irishness

Psyche's Exile: an empirical odyssey in search of the soul Jerry Kroth, 2011 Psyche s Exile an empirical odyssey in search of the soul Psyche means soul in Greek and psychology literally means the study of the soul For over a century American psychology has gone in precisely the opposite direction Soul mind and mind brain with no exceptions This

reductionist paradigm is challenged in this book as Professor Kroth reviews eight politically incorrect forbidden databases in his empirical pursuit of the immortal soul of the ages near death experiences deathbed visions precognitive dreams premonitions synchronicity telepathy states of possession just to name a few The journey leads to a fascinating rediscovery of the soul Reviews Psyche s Exile is an absolute treasure trove of carefully collected experiential and experimental data spanning the research areas of anthropology sociology religion spirituality psychology and physics Although we are still some human evolutionary time away from experimentally proving the existence of the human soul there is certainly enough good data available at present to make it a viable working hypothesis Dr Kroth is dedicated to his craft as a professional explorer of nature in its many forms For myself I wouldn't hesitate to recommend this book to my scientific colleagues and my friends William A Tiller Ph D professor of physics Stanford University Author of Science and Human Transformation In Search of the SOUL OF WHISKY Carlo Reltas,2022-12-15 The soul what a great word Ever since Karl had seen the cult film Local Hero with the elegiac music of Mark Knopfler in the 80s a longing for the grandiose landscape of Scotland had lain dormant in him For decades his approach was limited to developing a taste for single malt whiskies When he finally travelled to Scotland he naturally had to go on their trail But where Single malts are the crown of Scotch whiskies Speyside on the eastern slope of the Highlands as the single malt country par excellence was logically the first place he headed Whether by bicycle between Glenlivet and Glenfiddich by roadster to the local hero film location Pennan or by ferry to the home of peat smoked whiskies the Isle of Islay whisky and distilleries were always on the agenda But not only Experiencing Scotland means much more to him seeing magnificent landscapes meeting unique people and gaining deep insights into history especially at Edinburgh Castle where Mary Stuart gave birth to the forefather of all later British monarchs Karl also has travel impressions of the Isle of Skye the Orkneys Loch Ness as well as the economic metropolis Glasgow and the capital Edinburgh in his luggage There at the end of his journey he finally finds a humorous and mischievous answer to the question of what the soul of whisky is and where it is to be found With 68 Color photos and 2 GEOGRAPHIC MAPS The author Carlo Reltas was a journalist and manager of an international news agency for decades Since leaving the news business he lives near Heidelberg and travels
