Kalleres, 2015-10-13 Although it would appear in studies of late antique ecclesiastical authority and power that scholars have covered everything an important aspect of the urban bishop has long been neglected his role as demonologist and exorcist When the emperor Constantine made Christianity the official religion of the realm bishops and priests everywhere struggled to Christianize the urban spaces still dominated by Greco Roman monuments and festivals During this period of upheaval when congregants seemingly attended everything but their own orthodox church many ecclesiastical leaders began simultaneously to promote aggressive and insidious depictions of the demonic In *City of Demons* Dayna S Kalleres investigates this developing discourse and the church sponsored rituals that went along with it showing how shifting ecclesiastical demonologies and evolving practices of exorcism profoundly shaped Christian life in the fourth century *Jesus* Rose Publishing, 2009 A compilation of these 8 Rose Publishing pamphlets Who Is Jesus Jesus Fact and Fiction Gospels Side by Side Beatitudes Lord s Prayer names of Jesus Christ in the Old Testament Christ in the Passover **A Search for Truth "I Rest My Case"** Alex Vercellino, 2024-10-21 The author s lifelong search for the truth about Christianity contains information you won t learn in church There is no other book like it on the market It s an easy read yet thorough It s written to appeal to anyone looking for answers about Christianity whether they go to church on a regular basis or never attend church The author s mission is to help people who don t embrace Christianity to better

School Journal ,1898 **Searching for the Historical Jesus** Robert Hams,2023-04-06 As a Freemason I was interested in the origins of Freemasonry which has always been shrouded in mystery However my lodge mentor George Elliott gave me a book by John Robinson titled Born in Blood In that book the author put forward the theory that the origins of Freemasonry lie with the Knights Templar I knew that the Knights Templar had been accused by the Inquisition of denying Jesus Christ and I wondered how they could do that when their full title was the poor fellow soldiers of Christ and of the temple of Solomon It appeared they were denying their very reason for existence Knowing that the Knights Templar were accused of worshipping a severed head and that John the Baptist was beheaded by the authorities I thought it was possible that John could be the original Christ and the Knights Templar had discovered this fact whilst in the Holy Land and that is why they could deny Jesus Christ Christ Initially I was looking for information to confirm this but in doing so I discovered a completely different character who I believe impersonated the original Christ possibly John and created the religion we now know as Christianity That is the substance of this book **The Church School Journal** ,1873 **Keeping Alive the Rumor of God** Martin Camroux,2020-08-21 Can t you hear those little bells tinkling Down on your knees They re bringing the sacraments to a dying
