**The Long Term Missing** Silvia Pettem, 2017-03-17 When loved ones go missing the lives of their family members are turned upside down As the days and months turn into years some families are caged in by their grief while others become proactive renewing police contacts keeping up with the latest

technologies and educating themselves as they strive to become their long term missing persons advocates By inspiring hope as well as providing answers and practical advice The Long Term Missing Hope and Help for Families assists families in navigating the uncharted territory they never chose to enter Author Silvia Pettem also provides families with information to better understand how law enforcement and related agencies work to solve missing persons cases Along the way she takes her readers behind the scenes while emphasizing that every unidentified person is a missing person to someone else With real cases both solved and unsolved the book also illustrates the resources available and the actions that family members civilians and law enforcement agencies can take to search for long term missing persons to identify previously unknown remains and to bring the missing persons home The Long Term Missing Hope and Help for Families inspires hope and gives answers as it empowers family members of long term missing persons to be proactive and to become their missing persons advocates

**Multidisciplinary Approaches to Forensic Archaeology** Pier Matteo Barone,W. J. Mike Groen,2018-10-24 This book will present the most advanced research on forensic archaeology presented during the annual European meetings in the last 3 years Thanks to the broad nature of the chapters presented this book will show not only different approaches and different crime scenes around Europe but also how every single European law enforcement has faced forensic investigations This book shows forensic archaeology as practiced in this legal context emerging and solidifying in many European countries differing in some respects because of differences in legal systems but ultimately sharing common grounds Differently from similar books this will be not only a collection of research and case studies in which forensic practitioners demonstrate the extent and complexity of the various aspects of forensic archaeology but also it will show the necessity of co operation as a condition for any work in forensic archaeology among scientists of different disciplines and law enforcers
