

The tooth Relic of Lord Buddha, Ceylon.

Searching For Buddhas Tooth

John S. Strong

Searching For Buddhas Tooth:

In Search of Buddha's Daughters Christine Toomey, 2017-03-21 A 60 000 mile odyssey in search of Buddhist nuns hailed as inspiring and necessary Kirkus ambitious Tricycle and compelling Financial Times They come to the monastic Buddhist life from every faith and career a policewoman a princess a Bollywood star a violinist Out of the public eye despite hardship and even persecution they vow to seek enlightenment in a world full of noise Who are these women What motivates them and what stands in their way Award winning journalist Christine Toomey investigates From Nepal to California she encounters unforgettable nuns who reveal the blessings and perils of carrying a 2 500 year tradition into the twenty first century Often denied equal status with monks they are nonetheless devoted to their faith and to change Amid the Ruins of the Silk Road: In Search of the Long-Lost Footprints of Śākyaputra Faxian Dhriti Roy, 2025-09-10 Amid the Ruins of the Silk Road In Search of the Long Lost Footprints of kyaputra Faxian is an insightful piece of original scholarship under the genre of intellectual and religious history The volume attempts to shed new light upon the evolutionary phases of Chinese Buddhist monasticism with special focus upon the state of Buddhist monastic disciplinary codes vinaya in premodern China by navigating through unexplored domains of cross civilizational interactions as has been intricately portrayed in the fascicles of kyaputra Faxian s most celebrated fifth century travel memoir Fo Guo Ji The book offers a critical inquiry into the chain of events which not only defined the final contours of Chinese Buddhist monastic tradition but also proved to have been instrumental in shaping Chinese Buddhism into its region specific Sinified mould This seminal academic work by drawing upon primary source documents from Buddhist and secular literature brings to the fore the significance of the historic trans continental Silk Road as a crucial interface having stood witness through the vicissitudes of time to some of the most unprecedented of cultural intellectual and philosophical borrowings across variegated socio cultural spaces *The Buddha's Tooth* John S. Strong, 2021-10-22 John S Strong unravels the storm of influences shaping the received narratives of two iconic sacred objects Bodily relics such as hairs teeth fingernails pieces of bone supposedly from the Buddha himself have long served as objects of veneration for many Buddhists Unsurprisingly when Western colonial powers subjugated populations in South Asia they used manipulated redefined and even destroyed these objects to exert control In The Buddha s Tooth John S Strong examines Western stories from the sixteenth to the twentieth century surrounding two significant Sri Lankan sacred objects to illuminate and concretize colonial attitudes toward Asian religions First he analyzes a tale about the Portuguese capture and public destruction in the mid sixteenth century of a tooth later identified as a relic of the Buddha Second he switches gears to look at the nineteenth century saga of British dealings with another tooth relic of the Buddha the famous Da ad enshrined in a temple in Kandy from 1815 when it was taken over by English forces to 1954 when it was visited by Queen Elizabeth II As Strong reveals the stories of both the Portuguese tooth and the Kandyan tooth reflect nascent and developing Western understandings of Buddhism realizations of the cosmopolitan nature of the tooth and tensions between

secular and religious interests **Search for God Ending in Jesus** Mani Augustine Chilampikunnel PH.D,2015-12-30 This book is designed to assist those sincerely seeking God in their lives It is not written for scholars researchers or critics but for the common men and women who are yearning to establish an intimate relationship with God while going about their daily lives In addition this book is of considerable value to parents who want to live their Christian faith and bring up their children in the practice of faith It is an invitation to those who have no faith or lost their faith but are seeking to reestablish their relationship in order to experience the loving kindness of the heart of our God Search for God Ending in Jesus is based on the authors intense research on various religions and religious practices and years of interactions with people of different faiths In this book the author attempted to make accurate use of human language in order to speak about God providing logical thought to ultimate explanation of all realities leading to the existence of God who chose to come down to us in the person of Jesus Christ in an actualized concretized personalized way

Seeking Sakyamuni Richard M. Jaffe,2019-05-20 Though fascinated with the land of their tradition s birth virtually no Japanese Buddhists visited the Indian subcontinent before the nineteenth century In the richly illustrated Seeking kyamuni Richard M Jaffe reveals the experiences of the first Japanese Buddhists who traveled to South Asia in search of Buddhist knowledge beginning in 1873 Analyzing the impact of these voyages on Japanese conceptions of Buddhism he argues that South Asia developed into a pivotal nexus for the development of twentieth century Japanese Buddhism Jaffe shows that Japan s growing economic ties to the subcontinent following World War I fostered even more Japanese pilgrimage and study at Buddhism s foundational sites Tracking the Japanese travelers who returned home as well as South Asians who visited Japan Jaffe describes how the resulting flows of knowledge personal connections linguistic expertise and material artifacts of South and Southeast Asian Buddhism instantiated the growing popular consciousness of Buddhism as a pan Asian tradition in the heart of Japan **Siam** George Blagden Bacon,1892

The Search-light ,1903 **Siam : The Land of the White Elephant as It Was and Is** George B. Bacon,2019-12-13 In Siam The Land of the White Elephant as It Was and Is George B Bacon provides an evocative exploration of Thailand s rich cultural tapestry intertwining historical narratives with deeply observed ethnographic insights His meticulous attention to the region s geography customs and people is reflective of the literary style of the late 19th century marked by both romanticism and a burgeoning fascination with Eastern cultures during the colonial era Bacon s writing is imbued with vivid descriptions and a sense of wonder capturing the essence of Siam s landscapes and social structures while drawing comparisons to Western ideals and lifestyles George B Bacon was an American expatriate whose travels in Southeast Asia deeply informed his perspective on modernization and tradition His insights are shaped not only by his keen observations but also by the broader socio political context of his time when Western nations were increasingly engaging with the East often with a blend of curiosity and condescension Through his experiences Bacon sought to present a more nuanced view of Siam countering stereotypical Western depictions and highlighting the country s complexities This work is recommended for both

historians and general readers alike offering a window into a pivotal moment in Southeast Asian history Bacon's in depth analysis appeals to those intrigued by cultural anthropology colonial dynamics and the enduring allure of the East Siam is not merely a travelogue it is an invitation to understand a land and its people in their unique historical context A Journey Round the World in the Years 1875-1876-1877 John Henry Gray, 1879 *The History of Chinese Folktales* Liu Shouhua, 2025-04-14 The History of Chinese Folktales is the first comprehensive study of Chinese folktale history spanning from the pre Qin period to the 20th century It references over 300 ancient texts and reviews more than 300 representative stories The book highlights three main research areas First motifs and types This involves identifying and categorizing various story motifs and types as well as analyzing subtypes to create a genealogy of folktales a process that reflects cultural exchanges among peoples Second cultural significance Employing historical materialism and cultural anthropology the book explores the cultural implications of folktales linking them to historical and cultural contexts to reveal their essence Third historical geographical comparison This involves a detailed examination of the life history of stories considering historical and geographical contexts to understand their essence and cultural flow **Cambodian Buddhism** Ian Harris, 2008-03-11 The study of Cambodian religion has long been hampered by a lack of easily accessible scholarship This impressive new work by Ian Harris thus fills a major gap and offers English language scholars a booklength up to date treatment of the religious aspects of Cambodian culture Beginning with a coherent history of the presence of religion in the country from its inception to the present day the book goes on to furnish insights into the distinctive nature of Cambodia's important yet overlooked manifestation of Theravada Buddhist tradition and to show how it reestablished itself following almost total annihilation during the Pol Pot period Historical sections cover the dominant role of tantric Mahayana concepts and rituals under the last great king of Angkor Jayavarman VII 1181 c 1220 the rise of Theravada traditions after the collapse of the Angkorian civilization the impact of foreign influences on the development of the nineteenth century monastic order and politicized Buddhism and the Buddhist contribution to an emerging sense of Khmer nationhood The Buddhism practiced in Cambodia has much in common with parallel traditions in Thailand and Sri Lanka yet there are also significant differences The book concentrates on these and illustrates how a distinctly Cambodian Theravada developed by accommodating itself to premodern Khmer modes of thought Following the overthrow of Prince Sihanouk in 1970 Cambodia slid rapidly into disorder and violence Later chapters chart the elimination of institutional Buddhism under the Khmer Rouge and its gradual reemergence after Pol Pot the restoration of the monastic order's prerevolutionary institutional forms and the emergence of contemporary Buddhist groupings **SIAM THE LAND OF THE WHITE ELEPHANT Its People, History and Culture** George B. Bacon, 2017-02-08 This book is a compilation from the annals of history Taken from first hand accounts of explorers missionaries and traders from the West's earliest contact this is a faithful synthesis of Thai history culture and ethnography as they knew and observed it George Bacon brings together the history of these tumultuous times along with

cultural description a large extent of geographic knowledge and insight into the people and their lives He does all of this with a clear focus and a generosity of spirit that was rare for his time This book is the valuable early account of Thailand as explorers first found her As such it is a rare window into a people and a place which is all but lost to us today The power of memory for a people and a land is beyond estimation The DNA of the people and the land that we find here in this book holds vital clues to us who would work to call up the Thai people into their divine end time destiny **Being a Christian in Sri**

Lanka Leonard Pinto,2015-07-14 Most people know something about their own religions That knowledge is usually restricted to what is going on at the present time When it comes to how their religions developed in their countries their knowledge is on shakier grounds As for religion in foreign lands well for many that information is nonexistent Author Leonard Pintos *Being a Christian in Sri Lanka Historical Political Social and Religious Considerations* is a critique based on the observations and experience of a Sri Lankan Christian Pinto shares the history and importance of religion in his native land Youll learn about Portuguese Dutch and British rule in the country formerly known as Ceylon and how each affected religion there Pinto dispels popular views about how ruling countries dealt with Christianity and other religions and with those who practiced them Youll learn how religion is practiced today from someone who lives it firsthand Pintos book goes beyond the boundaries of Sri Lanka in assessing the problems faced by Christianity from the corrosive effects of the Age of Enlightenment In *Being a Christian in Sri Lanka Historical Political Social and Religious Considerations* Pinto comes to the conclusion Sri Lanka would benefit from a Sri Lankan national identity for all its citizens Hegemony based on ethnicity and religion is dissuaded Youll also find Pintos conclusions relevant to other countries **Our Tropical Possessions in Malayan India** John

Cameron,1865 *Relics of the Buddha* John S. Strong,2018-06-05 Buddhism is popularly seen as a religion stressing the truth of impermanence How then to account for the long standing veneration in Asian Buddhist communities of bone fragments hair teeth and other bodily bits said to come from the historic Buddha Early European and American scholars of religion influenced by a characteristic Protestant bias against relic worship declared such practices to be superstitious and fraudulent and far from the true essence of Buddhism John Strong s book by contrast argues that relic veneration has played a serious and integral role in Buddhist traditions in South and Southeast Asia and that it is in no way foreign to Buddhism The book is structured around the life story of the Buddha starting with traditions about relics of previous buddhas and relics from the past lives of the Buddha Sakyamuni It then considers the death of the Buddha the collection of his bodily relics after his cremation and stories of their spread to different parts of Asia The book ends with a consideration of the legend of the future parinirvana extinction of the relics prior to the advent of the next Buddha Maitreya Throughout the author does not hesitate to explore the many versions of these legends and to relate them to their ritual doctrinal artistic and social contexts

Heroes of Burma W. L. Barretto,1934 **Seeking the Scallop Shell** Marilyn Parkes-Seddon,2022-09-15 Before the Reformation the desire to go on pilgrimage was almost universal it was a part of life For some it was simply an act of piety

whereas others wished to obtain healing Few would have doubted that by visiting a saint s shrine or holy place they would gain indulgences to offset against their sins fast tracking themselves into heaven when they died The scallop shell symbol of St James became the recognised badge of pilgrims everywhere In this book Marilyn Parkes Seddon recounts her experiences visiting twenty two places of pilgrimage in Britain Her journeys take her from the tiny cell where St Julian lived in self imposed incarceration for forty years to the unexpected jewel of Samye Ling Buddhist monastery in Dumfries Galloway and the awesome grandeur of Durham Cathedral

The History of Myanmar William J. Topich, Keith A. Leitich, 2013-01-09 This text provides a thorough examination of the history of Myanmar from Neolithic times to the present Myanmar has experienced a seemingly endless series of conquerors dating from prehistoric times through the reign of Kublai Khan s Mongol forces beginning in the late 1200s all the way through the modern era when it was subject to both British colonial control and invasion by the Japanese during World War II The History of Myanmar provides a detailed historical overview of the key people places and events in this often overlooked country s past and present It examines the history of Myanmar from Neolithic times to all of its ruling dynasties to the modern era in a chronological manner providing a contextual framework for the further exploration of its complex history This text pays special attention to the unique circumstances that led to the formation of the modern nation of Myanmar

A History of Chinese Buddhist Faith and Life Kai Sheng, 2020-06-15 The goal of this book is to study the ways in which Chinese Buddhists expressed their religious faiths and how Chinese Buddhists interacted with society at large since the Northern and Southern dynasties 386 589 through the Ming 1368 1644 and the Qing 1644 1911 up to the Republican era 1912 1949 The book aims to summarize and present the historical trajectory of the Sinification of Buddhism in a new light revealing the symbiotic relationship between Buddhist faith and Chinese culture The book examines cases such as repentance vegetarianism charity scriptural lecture the act of releasing captive animals the Bodhisattva faith and mountain worship from multiple perspectives such as textual evidence historical circumstances social life as well as the intellectual background at the time
