**Grace Harlowe with the American Army on the Rhine** Josephine Chase, 2023-10-27 In *Grace Harlowe with the American Army on the Rhine* by Josephine Chase, readers are transported into the world of Grace Harlowe, a young woman who finds herself in the midst of World War I as part of the American Army on the Rhine. The book is written in a clear and engaging style, offering a mix of adventure, romance, and historical context. Chase skillfully weaves together a gripping narrative with vivid descriptions of the wartime setting, making the reader feel as if they are right alongside Grace in her experiences. This book is a prime example of early 20th-century American literature, showcasing themes of patriotism, courage, and the impact of war on individuals. Grace Harlowe serves as a strong female protagonist, defying gender norms of her time and embodying the spirit of resilience. Josephine Chase's personal experiences as a nurse during World War I likely influenced her writing, adding depth and authenticity to the story. I highly recommend *Grace Harlowe with the American Army on the Rhine* to readers interested in historical fiction, female protagonists, and compelling wartime narratives.

**Littell's Living Age**, 1881

Fixit Joe Ide, 2023-05-09 In the latest installment in Joe Ide's superb series, *Washington Post* the relentless hard-bitten PI Isaiah Quintabe is faced with a nightmarish scenario when the love of his life is kidnapped by a maniacal hitman who bears a grudge against him. Named one of the Best Mystery Books of the Year by *The Wall Street Journal*, an International Thriller Award Nominee, *Danger* has always followed IQ, a reality he's keenly aware of as he's laid up in a hospital bed recovering from injuries sustained in his last case. Isaiah cannot help himself from being the hero, and any misery he's suffered as a result, wounds from a knife fight, gnawing paranoia, he's suffered alone. Yet as IQ recovers, five hundred miles from East Long Beach, he's unaware that Grace has been abducted by his sworn enemy, the professional hitman Skip Hanson. Skip is savage and psychotic, determined to punish Isaiah for sending him to prison and destroying his life. Now Isaiah and his sometimes partner, ex-hustler Juanell Dodson, must track scant clues through L.A.'s perilous landscape as Grace's predicament grows more uncertain. A complication arises in the form of Winnie Hando, a homicide detective with something to prove. Stubborn and effective, Winnie sees Isaiah's efforts as an obstruction to the investigation and a possible embarrassment; an unlicensed PI can't be seen doing the department's job better than the department. Winnie tries to stop Isaiah while pursuing the case herself, their struggles clashing and slowing their progress. As the desperate hunt winds on, Isaiah fears that even if he can bring Grace home alive, things between them will never be the same. This latest series installment is an explosive collision of drug dealers, thieves, maniacs, shotguns, vicious dogs, stampeding horses, and Ide's signature energy, grit, and profundity.
