Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook Dr. John Mannion, 2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber's My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day's study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student's Devotional and A Bible Teacher's Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase

THE SECRET SERVICE CHURCH: FAITH SEEKING RELATEDNESS George Gammack, 2015-08-13 We all know what church is Likewise we are provided with a supply of set notions for God Christ and the Bible which make up the stock in trade equipment for both believer and non believer This study asks fundamental questions about all these from a relational perspective attempting to illumine the faith quest by way of clues from the common realities of human interaction In this it is the appropriate provisions of relationships rather than the assent to doctrines that forms the spiritual basis of community Such a theology of relatedness is urgently needed We must come out of our creedal closets to be part of a new diaspora This demands a secret discipline of servant relationship at work in that no man's land where there is space for all manner of secular saints and doctrinal devils to discover the possibilities of their togetherness the secret service church in odd places and often strange company

Do Not Be Afraid Rachel Mann, 2024-09-19 Waiting can be beautiful and at least sometimes it takes us to the heart of the Holy As much at home with *Strictly Come Dancing* as the mystical writings of Julian of Norwich Rachel Mann writes with disarming verve of something we all experience waiting It may seem unlikely when you're stuck on a train or nervously anticipating hospital treatment or simply fearful of an uncertain future that there is treasure to be found in the waiting Yet the Psalmist says I waited patiently for the Lord he inclined to me and heard my cry These luminous meditations tell stories of God waiting with us when we're in fear or distress of coming bidden or unbidden to relieve our loneliness of disconcerting us desiring us and surprising us with joy Most of all they remind us that Jesus Christ comes into the world as one long waited for as the servant who waits on others as the one on whom we are adoringly called to wait Covering 4 weeks each meditation ends with a prayer and questions for reflection which may be used by individuals or groups

Seeking the Hiding God Arnold Eisen,2024-08-30 In Seeking the Hiding God Arnold Eisen delves into the profound mystery of divine hiddenness presenting a compelling exploration of how this central theological dilemma resonates within modern Jewish life Through rigorous analysis and heartfelt reflection Eisen tackles the poignant questions that arise when God seems absent drawing on classical Jewish texts and contemporary thought His insightful examination reveals how these ancient narratives continue to influence and illuminate the struggles and commitments of faith in today s world With clarity and depth Eisen challenges readers to reconsider the relationship between divine presence and human responsibility He argues passionately for a dynamic engagement with theology where communal rituals personal experiences and reasoned debate converge to shape a vibrant living faith This book is an essential read for anyone grappling with the complexities of sustaining belief in an often seemingly indifferent world offering a fresh perspective on enduring religious questions and the pursuit of spiritual authenticity An inspired work of constructive theology that will capture the attention of lay and academic readers in both the Jewish and non Jewish worlds The breadth of Jewish and non Jewish sources and his ability to weave them together so effortlessly is dazzling and leave the reader with a confidence that Eisen has fulfilled his goal of providing a profound and honest theological statement Rabbi Dr David Ellenson zl Chancellor Emeritus of Hebrew Union College author Jewish Meaning in a World of Choice Studies in Tradition and Modernity Eisen demonstrates the ample rewards of grappling with God in light of our ethical sensibilities lived experience and community In this intimate learned reflection Eisen invites contemporary Jews to wrestle with God anew Dr Mara Benjamin Chair of Jewish studies at Mount Holyoke College author The Obligated Self This generation s preeminent scholar of contemporary Jewry Arnold Eisen has devoted his career to studying the spiritual strivings within the Jewish soul In Seeking the Hiding God Eisen provides a personal window into his own theological vision Inspired by Eisen s explorations readers will be inspired to ask today s urgent questions of meaning and faith Rabbi Dr Elliot Cosgrove Senior Rabbi of the Park Avenue Synagogue in New York City author For Such a Time as These On Being Jewish Today *Seeking life, and other sermons* Phillips Brooks,1904 Seeking Truth Clinton Bezan,2020-12-11 Today people are searching for truth in a world embroiled by contradiction misinformation and blatant lies that have created confusion division and mistrust in society The fear generated through terrorism and the handling of the global covid 19 pandemic have many questioning the future of mankind and turning to God for answers For those genuinely seeking redemption through Jesus Christ the tarnished reputation of the established Christian church offers little clarity in the path to salvation and serves as a living testimony to the fallen state of man Where does one begin to sort through the soupy mess that religion has become and discover the true meaning of Christianity In a revealing and illuminating

examination of scripture history and the authentic Christian message Clinton Bezan dispels the fallacies and half truths propagated through Christian history by errant religious dogma and traditions There is a distinct paradox that organized religion fails to recognize in its efforts to maintain growth and influence in a civilization that is increasingly devoid of moral legitimacy and is struggling to maintain its sense of purpose amid the volatile and fluid post truth culture It is only by returning to the basic premise of faith in Christ that there is hope for peace and purpose in the Christian life Election is just not Fair! Moreno Dal Bello,2015-08-12 For many people the doctrine of election is one that just does not make sense for it appears to contradict the teachings that God is Love and no respecter of persons It is even seen as a doctrine which shuts many people out of heaven who desired entry Thus it is concluded that the doctrine of election is just not fair that God would be unjust to select only some people to show His grace and mercy towards in granting the gift of salvation and simply leave the rest to themselves or worse still consign them to hell The real reason behind such a conclusion is the flawed foundation upon which these notions are based a foundation which says that man is not dead in sin as a result of the Fall but is merely a wounded soul with the ability and desire to seek and choose God intact The concept of free will stands in eternal opposition to the doctrine of free grace *A Lay Preacher but Gods Word?* A Sinner,2013-02-18 A Sinner was a 33 year old ordinary English working class man content and happy with his family life One day he curiously attends a Christian Fellowship in a local community centre After many visits and much thought he eventually accepts Christ as his personal saviour Two years later he finds he is given a preaching commitment Here is his lay preachers notes of some 20 years biblical expositions with historical and contemporary commentaries It is a warts and all record not only of serious scriptural sermons but also on church and personal life experiences some humorous some tragic He is critical of much of established religion and the fact he reluctantly uses a pen name tells of his fears of the changing face of his country and shows his belief that much of its freedoms for Christians and free speech in general has been and is being lost He holds no theological exams or college training and does not qualify for what he describes as the hindrance of a dog collar but believes in Gods Holy Spirit that has and does convict man if mans heart is willing to be open to Him So are any or any part of these words Gods word Thats for you with the Holy Spirit to decide
