## Seaside Heights:

*Seaside Heights* Christopher J. Vaz, 2010-05-10 Seaside Heights tells the history of a timeless seashore resort community located on a barrier island nestled between the Atlantic Ocean and Barnegat Bay The 224 acre town was settled by residents of Philadelphia and Camden who purchased white sand lots to escape city life for the brisk ocean breezes and tranquility that Seaside Heights offered prior to World War II Seaside Heights uses the scenes captured in vintage postcards some of them very rare as a study of the changes that have occurred in the town since its incorporation in 1913 Seaside Heights Before and After Hurricane Sandy and the Fire Through Time Marcia Dente, 2017 This beloved shore town of Seaside Heights was battered by Superstorm Sandy in October 2012 and one year later in 2013 it suffered a major fire that destroyed the south end of the boardwalk Notwithstanding these challenges recovery is strong and the future of Seaside Heights grows brighter as each day passes The boardwalk was re built stronger than the one that Sandy splintered and rises slowly from the ashes of the horrific fire After Governor Chris Christie visited the site of the destruction he said We ll rebuild it However for those who recall the way things were it won t be the same as many of the iconic structures that made it what it was are now gone and washed into the ocean With characteristic resilience and strength Seaside Heights did rebuild and came back stronger Confronting a storm is like fighting God All the powers in the universe seem to be against you and in an extraordinary way your irrelevance is at the same time both humbling and exalting Francoise LeGrande The Quotable Sailor **The First Fifty** C Byron Wortman, 2013-02-26 This Centennial Edition commemorates the 100th Anniversary of Seaside Heights New Jersey with this reprint of this rare book published in 1963 Founded in 1913 Seaside Heights New Jersey USA has become a world renowned location visited by millions of vacationers over the years February 26th 1913 was the day when the New Jersey State Legislature allowed Seaside Heights residents to take a vote to create their own borough This vote was held on March 15 1913 with the town being named Seaside Heights on April 29 1913 Beaches Environmental Assessment, Closure, and Health Act of 1993 United States.
