A Season on the Earth Sūryakānta Tripāṭhī, 1976 **Seasons of the Sacred Earth** Cliff Seruntine, 2025-08-05 We are just one little family on a small homestead deep in a wild place What we can do is small but perhaps through this book we can impart the wisdom we have discovered It is just this spirit and enchantment and reality are bound together in a green world full of wonders Living Green with the Spirits of the Land In 2007 the Seruntine family relocated to a secluded Nova Scotia homestead They made it a point to live gently upon the land by growing and raising their own food living in balance with the surrounding forest and honoring Nature s spirits In return the land and the spirits looked after them Seasons of the Sacred Earth follows life deep in their woodland hollow through a magical year It is a marvelous journey into a place where gardens grow by love and magic where children romp through enchanted forests where mystery beckons by light of fireflies And living close to Nature they discover an ancient truth the magical and the mystical are never farther than Earth and Sky

review *As in the Heart, So in the Earth* Pierre Rabhi, 2006-06-06 The world's leading expert on reversing soil desertification shows how ecology can flourish only when spiritual elements are present Uses a parable from the African oral tradition to provide a living testimony of what has been lost with the rise of modern technology Provides a vital account of the strong relationship between soil and soul and how this relationship can be restored *As in the Heart So in the Earth* is a strong indictment of a civilization that while seeking domination over the earth mutilates tortures and desecralizes it For Pierre Rabhi ecology is inseparable from spirituality He shows how the growing desertification of North Africa is a reflection of the desert that is claiming the hearts and souls of the inhabitants of the Western world how dead soil is mirrored in our deadened souls and how reconciliation with Mother Earth must be accompanied by relearning our ancestors reverence for the soil Using a traditional African parable grounded in the very wisdom of the earth Pierre Rabhi seeks to initiate the reader into a time when the people that dwelled on this planet did so harmoniously and could converse easily with the land Village elder Tyemoro recounts the gradual destruction of his village's culture and all that has sustained it as the miracles promised by modern technology brought more harm than good This same drama is recurring throughout the world where indigenous value systems that have endured for millennia are torn apart by contact with modern civilization Yet Rahbi offers hope if those in the modern world will stop to hear the words of their ancestors who worked the land for our destiny is linked irrevocably to that of the earth September Mornings Joseph Sener, 2025-06-05 *September Mornings* is the last of six books that the Holy Spirit wanted me to publish to disseminate His messages to humanity I am His scribe and I conform to His wishes Humanity is God's highest creation on earth God created humans in His own image We are His ambassadors on earth It is His requirement that we live up to His expectations to live a righteous life with justice when we are performing His work on earth It is God's law that the systemic order in life must be maintained fairly and equitably by His creation There is no partiality with God The eternal fabric of life is God's truth God's will runs the fabric of life in the entire universe He governs all life and its existence in His creation from one end of infinity to the other We are His ornaments in His creation with expectations and hopes Divine guidance and care are God conceived to guide the destiny of humanity Humanity's faith in God was unyielding in all ages and kept the human race on the line drawn by God He pulls His creation to Himself like a magnet to maintain order and harmony in His creation He appears to be hidden but your conscious heart knows that He is always present in your life He makes Himself visible by His actions and manifestations on earth and in the universe Honor Him with full dedication and respect You are three dimensional but God is multidimensional so walk and work on His earth with that knowledge God has many properties but the most important ones are His love for His creation and humanity and His mercy to forgive the sins of humanity Mercy is the product of His grace God expects to have a personal relationship with His humanity He sees you and what you are doing on earth at all times You cannot hide from Him He hears you when you speak and He observes what you are doing You cannot hide anything from Him Pray to Him and be thankful for the second

chance that He has provided you to undo your sins Learn the purpose of your life on earth and be prepared for life coming after your death on earth We were born to this Second Earth Age to be saved from our sins by the merciful God Almighty the Creator of you and me We are here at this time to learn obey and do things on earth in His Way as He wants not by our ways God the Creator and His Holy Trinity Father Son and the Holy Spirit in three personalities is ONE in essence that is to say He is a real essential entity in permanent existence in the ultimate nature We are the property of God and live on this earth at His pleasure We live in the world only for Him and His coming kingdom in the Third Earth Age The final days of the end time are steadily approaching one day at a time Soon we all shall answer to the Creator God On that day we will not be on earth to make corrections in our lives We will be up there with Him answering His questions You and I are in this world for a short time and if we have earned God s trust we will come back to be a part of His New Age on New Earth and participate in His new kingdom on earth Finally humanity shall understand that God and His Divine Trinity in the universe of God the Creator is an absolute truth It is a transcendent fundamental spiritual reality The plan for the future has been prepared by Almighty God and His Holy Trinity All shall unfold part by part at every step of the way depending on our level of preparedness and readiness together with our level of maturity Under His will His plan is all good if we can keep it that way May the blessings of God Almighty and His Holy Trinity be upon His humanity and all His creation now and forever **The Hashimoto's**
