Sebastiano Connie Mandracchia DeCaro,2005      *My Sicilian Legacy* Richard F. Cavallaro,2008 The lives of Angelo Cavallaro and Angela Gravagna are entwined in a backdrop set in the coastal areas of the Province of Catania Sicily and moves onto the northern hillsides of the active volcano Mount Etna They are traced from their early childhoods where they lived as peasants during the reconstruction of Italy and Sicily through their immigration to America The journey of Angelo Angela and their six children begins in the tiny village of Passopisciaro and continues as they travel to Palermo in1913 to board a ship and sail across the Atlantic Ocean You share and experience their fears as they pass through Ellis Island and their joys of eventually arriving to their new home in Rochester New York In this sensitive memoir the author attempts to do what most Italians only dream of to piece together all the stories parents have retold their children over the generations from their struggles and humble beginnings to the joys they shared with their extended families in later years In chapters that examine individual members of his family and highlights their life achievements the reader gains a better understanding of the unique characteristics that all immigrants have in common The memories recorded are a tribute to the legacy they left lessons about life responsibility self respect and love of family It is written with gratitude to all immigrants our ancestral grandfathers and grandmothers mothers and fathers aunts and uncles These were the risk takers and pioneers who were willing to sacrifice personal comfort in order to provide a better life for their families in an unknown world A narrative that honors our link to the past through the memories they left behind *My Sicilian Legacy* is a chronicle focusing on the importance of family life and the pride in maintaining ethnic roots It is a description of how the ordinary events that shape and mold character thinking aspirations and joys can be achieved through hard work and perseverance the early immigrants gave of themselves so their children would attain a better lifestyle Richard Cavallaro traces his own ancestral history to this area of Sicily and paints a vivid picture of the events that occurred through three generations which eventually led to the creation of *My Sicilian Legacy* a tribute that many Italians and Sicilians will share with pride      *Daughters of Italy* Anne T. Review     **Understanding Mafia** ,2024-07-30 An anthology of writings in Italian which examine the origins nature and culture of the Sicilian mafia Separate chapters are devoted to the culture from which the mafia emerged the economic and business activities in which it is now engaged its relations with politics and politicians as well as its structure and historical evolution There are portraits of prominent mafiosi as well as of the people and organizations that have struggled against mafia crime The individual pieces come from a diverse range of sources including newspapers historical and sociological works There is an introduction in English as well as a full vocabulary and a glossary of terms associated with the mafia     G. T. Harrell,2009-01 Seldom if ever has a writer been given access to a former major drug dealer in the Mafia underworld and three generations of family members that followed After nearly two years of interviews and subsequent research it has been discovered that a close relative of the family was one of the most powerful figures in the Mafia from the 1940s to the mid 1990s yet his identity until now has never been revealed He was the consigliere for all of the American Mafia The book tells in detail the life and times of a family who escaped the threat of Fascism in Sicily at the turn of the century and the rise of one of the children to a major figure in the Mob Another sibling returned from a tragic life in an orphanage only to become an adept criminal He ultimately spent twenty years off and on in prison with the Who s Who of the Mafia men who became friends and had secret stories to tell After prison he became one of the pioneers of Off Off Broadway in NYC and later was responsible for the regeneration of Little Italy in the Lower East Side of NYC The book details the influence and protection afforded later generations of the family to this day It offers a unique insight into the real life of people during this 100 year period Myths about the Mob are disclosed and inaccuracies in the history of the Mafia are corrected It is a very compelling epic true story It is a book you will not be able to put down Look on [www.mafiasecretjudge.com](http://www.mafiasecretjudge.com) for further details     Dissoi Logoi: Introduction, Critical Text, Translation, and Commentary Sebastiano Molinelli,2024-10-16 This new critical edition of Dissoi Logoi starts from a codicological analysis that is unprecedented in scope the studied codices are twenty six and depth their material dimensions transmitted works provenance date scribe first possessors and current place of conservation are considered On this basis a new stemma codicum and a new Greek critical text with parallel English translation are offered The extensive introduction reconstructs the manuscript and printed transmission of the text and sheds new light on its nature and its reception in antiquity Dissoi Logoi appears to have been written between 355 and 338 BCE in an Eastern form of Doric by a sophist who aimed to promote his course It likely worked as a source for Sextus Empiricus which contributes to explaining the work s collocation at the end of Sextus codices The third and final part of the book consists in a two level commentary First the Structural Commentary looks into blocks of chapters from a rhetorical and philosophical perspective Then the Lemmatic Commentary delves into the most salient lemmas of the text covering textual linguistic literary and historical issues as well     Risorgimento in Modern Italian Culture Norma Bouchard,2005 The renewed attention to the origin and shape of nationalist discourses has promoted many excellent studies devoted to examining the rich storehouse of

cultural responses produced during and after Risorgimento the political events that from 1859 to 1870 led Italy from being a fragmented peninsula to an independent and unified nation state However the assessment of Risorgimento and its myths from the post World War II era to the present remains for the most part unexplored While it is undeniable that the dramatic economic social and political transformations that have characterized Italy from the second half of the twentieth century to the present have altered the role and function of nationalist narratives it remains equally true that interest in the Risorgimento in modern Italian culture has not diminished
