Cosmic Ascension Joshua David Stone, 1998-02-01 Cosmic Ascension Your Cosmic Map Home Almost all the books on the planet on the subject of ascension are written about planetary ascension However because of the extraordinary times in which we now live in terms of Earth's history there is a new opening and potentiality to also begin one's cosmic ascension process This has never before been available It must be understood as Vywamus has said that in completing our planetary ascension we are no more than one tenth of the way up a ten inch ruler in terms of our cosmic ascension process This includes most of the ascended masters We on Earth who are working to complete our seven levels of initiation must remember that there are 352 levels of initiation to return to the godhead of Father Mother God at the top of creation Most of the Ascended Masters of the entire Spiritual Hierarchy are not beyond the 12th initiation This is not a criticism just a simple statement of fact The question is What lies beyond the next nine tenths of the ruler and how do we achieve our cosmic ascension as well as our planetary ascension which is no small feat in and of itself It is for this purpose that the author was guided to write this book

The project involves people gathering worldwide on specific dates to focus on the karmic cleaning of the etheric body of a major city. *Opening Our Spiritual Eyes* draws on the author's experiences of meeting the Enlightened Masters, those wise spirit guides who through her present new understandings of the collective karma held within the world's primary cities and our etheric bodies and how to free ourselves, our families and our world from it with grace. Revealing what Sri Ama Qala Phoenix calls the true nature of the divine plan for humanity and our Earth, the book shares essential keys for how we can become empowered to live in alignment with our divine purpose.

Cosmic Ray Attunements Chris Comish, 2022-11-09. There are Cosmic Versions of the Planetary Rays. The Cosmic Rays are sourced from the Godhead at the Creator level and then filtered through each level: cosmic, multi-universal, universal, galactic, solar and then down to Earth. There is not much information on the Cosmic Rays since humanity has only been accessing the rays since the late 1990s. The Cosmic Rays are not yet grounded into Mother Earth as most of humanity is not yet ready for them. Attuning yourself to the Cosmic Rays is extremely important to accelerate your personal ascension process and that of the entire planet. Each attunement to the Cosmic Rays grounds the energies into your being as well as the Earth. When
