Lord Send And Earthquake:

Does God Send Natural Disasters? Troy J. Edwards, 2016-11-20 Many of our theologians have told us that God is the responsible agent for all of the natural evil that we suffer. These theologians and philosophers are not without their Biblical proof texts. For them, Sodom and Gomorrah, the flood of Noah, the plagues of Egypt, the trials of Job, the end time events of the book of Revelation, and other historical accounts recorded in Scripture provide sufficient evidence that God is behind most if not all natural disasters. This book will show us that by understanding how the permissive idiom of the Ancient Eastern and Hebrew cultures was used to describe God's actions, we can get a fresh perspective of God's place in many of the natural disasters in Scripture that were attributed to Him. We will then see a loving God who is not destructive but actually does all that He can to save men from destruction without violating their freedom. **Implosion** Joel C. Rosenberg, 2012-06-12

Bestselling author and international political expert Joel C. Rosenberg tackles the question: Is America an empire in decline or a nation poised for an historic renaissance? America teeters on a precipice. In the midst of financial turmoil, political uncertainty, declining morality, the constant threat of natural disasters, and myriad other daunting challenges, many wonder what the future holds. Will history's greatest democracy stage a miraculous comeback, returning to the forefront of the world's economic and spiritual stage? Can America's religious past be repeated today with a third Great Awakening? Or will the rise of China, Russia, and other nations coupled with the US's internal struggles send her into a decline from which there can be no return? *Implosion* helps readers understand the economic, social, and spiritual challenges facing the United States in the 21st century through the lens of biblical prophecy.
