Los Angeles Dodgers Media Guide 1985:

The Los Angeles Dodgers Encyclopedia Richard J. Shmelter, 2017-09-11 Over the past 60 seasons the Los Angeles Dodgers have risen to the pinnacle of Major League Baseball winning 21 National League pennants and 6 World Series titles Amid the backdrop of Hollywood glitz and glamor the iconic franchise owes its consistent success to the talents and efforts of many This encyclopedia provides stats and biographical details for all of them Sections cover the 1958 2016 seasons influential players and executives Dodgers traditions and season and career records An all time player roster and list of all time managers are included

The Dodgers Encyclopedia William McNeil, 2000-09-25 The Dodgers Encyclopedia is the definitive book on Los Angeles and Brooklyn Dodgers baseball It traces the history of one of Major League Baseball's most successful organizations from the misty beginnings of its predecessors in rural Brooklyn more than 140 years ago through their formative years in the major leagues as a member of the American Association from 1884 through 1889 to a full fledged representative of the National League since 1890 It covers the exciting and often many years in Brooklyn through 1957 as well as a long and successful sojourn in Southern California during the last half of the 20th century

New Arrivals in Californiana, 1984 **Miracle in Chavez Ravine** William F. McNeil, 2008-06-25 After winning the 1981 World Series and raising the expectations of management and fans the Los Angeles Dodgers followed up with six years of disappointing finishes By the time they ended the 1987 season 17 games behind the hated Giants general manager Fred Claire had seen enough Over the winter Claire radically restructured the team bringing in fiery players like outfielder Kirk Gibson closer Jay Howell and shortstop Alfredo Griffin to spark the team out of complacency Led by Gibson and pitcher Orel Hershiser the upstart Dodgers outlasted Houston in a race for the NL West title and edged a star studded Mets team in the league championship series But their best most dramatic moments came in the World Series when the Dodgers shocked everyone by bashing the A's of McGwire and Canseco in five games In the first book length history of the 1988 Dodgers author Bill McNeil covers the story from all angles

Baseball's Other All-Stars William F. McNeil, 2000-03-15 Baseball is played in all corners of the world so it is no surprise to learn that some of the greatest hardballers of all time never played on a U.S. major league diamond Who knows what major league records would have been shattered had Sadaharu Oh of Japan Josh Gibson of the Negro Leagues Martin Dihigo of Cuba Francisco Coimbre of Puerto Rico and Hector Espino of Mexico played in the United States This work is a survey of the greatest baseball players who never played in the U.S. major leagues The greatest players from the various professional leagues outside organized baseball in the United States are reviewed and all star teams are selected for each league Finally the author selects an all world all star team from the individual all star teams from Japan Mexico Cuba Puerto Rico the Dominican Republic and the Negro Leagues

Biographical Dictionary of American Sports David L. Porter, 1987 This 3 volume work profiles over 1 450 baseball luminaries including current stars former major league players managers umpires executives and Negro League and All American Girls Professional Baseball League stars

Major League Baseball Players of the 1970s Bill Ballew, 2023-08-02 In the 1970s after a decade of stagnant fan interest that seemed to signal the demise of Major League Baseball the game saw growth and change In 1972 the players became the first in professional sports to go on strike Four years later contractual changes allowed those with six years in the majors to become free agents leading to an unprecedented increase in salaries Developments in the play of the game included new ballparks with faster fields and artificial turf and the introduction of the designated hitter in 1973 Eminent personalities emerged from the dugout including many African Americans and Latinos Focusing on the stars who debuted from 1970 through 1979 this book covers the highs and lows of more than 1 300 players who gave fans the most exciting decade baseball has ever seen

Mover and Shaker Andy McCue, 2014-05-01 One of the most influential and controversial team owners in professional sports history Walter O Malley 1903-79 is best remembered and still reviled by many for moving the Dodgers from Brooklyn to Los Angeles Yet much of the O Malley story leading up to the Dodgers move is unknown or created from myth and there is substantially more to the man When he entered the public eye the self constructed family background and early life he presented was gilded Later his personal story was distorted by some New York sportswriters who hated him for moving the Dodgers In *Mover and Shaker* Andy McCue presents for the first time an objective complete and nuanced account of O Malley's life He also departs from the overly sentimentalized accounts of O Malley as either villain or angel and reveals him first and foremost as a rational hardheaded businessman who was a major force in baseball for three decades and whose management and marketing practices radically changed the shape of the game

The Giants and the Dodgers Andrew Goldblatt, 2015-10-05 The Giant Dodger rivalry was considered the best in baseball by 1890 and remains the game's oldest and most storied rivalry today It's remarkable how often both teams have been good how rarely they've both been bad and how tenaciously the underdog has battled in between Through 12 decades and in two sets of cities 3 000 miles apart Giant and Dodger partisans have rooted so passionately against each other that just as during the Civil War conflicting loyalties have divided neighbors and even families This is the definitive account of the rivalry from its roots in amateur contests between New York and Brooklyn teams in the 1840s to its present incarnation in California's world class cities All the greats are here Ward Ebbets McGraw Mathewson Terry Durocher Reese Robinson Mays Koufax Drysdale Marichal Lasorda Bonds The book also examines the cities that have hosted the rivalry and devotes a special section to the move to California The author argues compellingly that contrary to popular wisdom the rivalry's best years came after the move

Dodgers! Jim Alexander,2022-07-29 In the 1880s a Brooklyn baseball manager plotted to steal pitching signs and alert batters with a hidden electrical wire In 1951 the Brooklyn Dodgers were robbed of a pennant via a sign stealing scheme involving a center field office a telescope and a button connected to the bullpen phone In 2017 the Los Angeles Dodgers were robbed of a World Series championship via a sign stealing system involving a TV camera a monitor a trash can and a bat History has often repeated itself around the Dodgers franchise From their beginnings as the Brooklyn Atlantics to their move from Flatbush to L A and into the 21st Century the Dodgers have seen heartbreaking losses and stirring triumphs broken the color barrier turned the game into a true coast to coast sport and produced many Hall of Famers This is their story
