Les Misérables Victor Hugo, 2018-11-15 A masterpiece by Victor Hugo this is the story of Jean Valjean a thief pursued for years by an overzealous police officer for once stealing a loaf of bread to feed his family then escaping from prison Even though he changes his life and becomes a good and honest man Javert his pursuer will never relent It is the story of a little girl Cosette who Valjean adopts when her mother a worker at his factor dies and ultimately a tale of the French Revolution at its beginnings and the lives of those affected The illustrations by Mead Schaeffer make this one of the truly great editions of this book From the Preface by Victor Hugo still largely valid today So long as there shall exist by virtue of law and custom decrees of damnation pronounced by society artificially creating hells amid the civilization of earth and adding the element of human fate to divine destiny so long as the three great problems of the century the degradation of man through pauperism the

corruption of woman through hunger the crippling of children through lack of light are unsolved so long as social asphyxia is possible in any part of the world in other words and with a still wider significance so long as ignorance and poverty exist on earth books of the nature of *Les Misérables* cannot fail to be of use *Les Misérables (1)* Victor Hugo, 2018-10-27 Rare edition with unique illustrations *Les Misérables* translated from French as *The Miserable Ones* *The Wretched* *The Poor Ones* *The Wretched Poor* *The Victims* is a novel by French author Victor Hugo *Les Misérables* contains many plots but the main thread is the story of ex convict Jean Valjean known by his prison number 24601 who becomes a force for good in the world but cannot escape his dark past **Les Misérables, Volume 2** Victor Hugo, 2015-09-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Victor Hugo's Les Misérables* Ettie Lee, 1924
