Gregg Braden has searched for evidence of a forgotten form of prayer that was lost to the West following the biblical edits of the early Christian Church. In the 1990s he found and documented this form of prayer still being used in the remote monasteries of central Tibet. He also found it practiced in sacred rites throughout the high deserts of the American Southwest. In this book Braden describes this ancient form of prayer that has no words or outward expressions. Then for the first time in print he leads us on a journey exploring what our most intimate experiences tell us about our deepest beliefs. Through case histories and personal accounts Braden explores the wisdom of these timeless secrets and the power that awaits each of us just beyond our deepest hurt. *Kahiki Scrapbook, The: Relics of Ohio's Lost Tiki Palace* David Meyers, Elise Meyers
