

# THE LOST WORD

THE LOST WORD is a concept Esoteric Freemasonry which represents a state of Consciousness that has been largely "lost" to the majority of human beings. In order to speak the "**Lost Word**," a human being must work upon themselves in order to achieve a state of EQUILIBRIUM, or Balance, between the Left and Right brain hemispheres. In such a state of Consciousness, the being has come to know the Self, as well as the working operations of Natural Law, and in doing so, has come to understand the *objective difference between Right and Wrong*, or, as they are referred to in Freemasonry, "*Light*" and "*Darkness*," respectively.

Due to its age it may contain imperfections such as marks, notations, marginalia and flawed pages. Rare, unusual symbolic illustrations seldom found in books. Many say this is one of the most unusual books they have ever read. Content: Mystery Symbolism in the Beginning, Ancient Zodiac, 12 Labors of Hercules. *That Masonic Lost Word* George V. [The Lost Word of Freemasonry](#), 1993 **The Hidden Secret Power of Freemasonry** Robert Kallian, P.M., 2022-08-01 It is entertaining to be anti-Masonic and perpetuate conspiracy theories and stories based on satanic worship rather than join Freemasonry or any other private organization primarily structured with improving the individual in society. The Masonic term making good men better is the desire of the craft concerning all people living in a multicultural society to better themselves. This is masonry in a nutshell. To achieve this betterment takes a great deal of work and self-inspection, which the critics of the craft refuse to endure and fail to examine the important historical esoteric symbols associated with the craft. This book is dedicated toward neutralizing such superficial negative ideology pursued by critics who have a personal interest in negating the significant works of the greatest fraternal organization in the world. Contained herein are chapters on women in Freemasonry, the Catholic Church and Freemasonry which contains an addendum relating to over one hundred cardinals and bishops who under pseudonyms were Freemasons, a chapter on the 133rd Psalm providing a line-by-line interpretation of a work which provides the important ideological humanistic basis for both society and Freemasonry with an important chapter analyzing the final end-period of a man's life as it related to Ecclesiastes Chapter 12. Men join Freemasonry because in their hearts they seek to improve themselves. In a reality any can start living as principled individuals exercising the same values without being a Freemason. All that is required is desire and work effort with a

foundation from the Holy Bible to betterment of himself However the Masonic Craft assists an individual in this journey by providing defined structure support and a roadmap that helps focus the advancement and as such increases the probability of a successful outcome Freemasonry centers on learning how to charge one's self with thought and physical conduct However in order to improve one must read study and understand the true nature of reality in life buttressed by the role of oneself and those with which one socializes This philosophy underlines why the most important virtues of Freemasonry are symbolic and teach us to be better humans Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry's symbolism is taken from biblical sources especially Genesis and the stories surrounding the building of King Solomon's temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry's major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin *The mysteries of freemasonry* John Fellows,1860 **The Symbolism of Freemasonry** Albert Gallatin Mackey,1869 [The Lost Word of Freemasonry Found](#) J. D. Buck,2014-03 This Is A New Release Of The Original 1922 Edition **Encyclopedia Of Freemasonry And Its Kindred Sciences, Volume 4: S-Z** Albert G. Mackey, Dr Albert G Mackey appears as author of this Encyclopedia of Freemasonry and its Kindred Sciences which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained Here is a work which fulfils the hope which sustained the author through ten years literary labor that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science the philosophy and the history of his order Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions There is in Mackey's Encyclopaedia of Masonry well digested well arranged and confined within reasonable limits all that a Mason can desire to find in a book exclusively devoted to the history the arts science and literature of Masonry This is volume four out of four and covering the letters S to Z **Method Infinite: Freemasonry and**

**the Mormon Restoration** Cheryl L. Bruno, Joe Steve Swick III, Nicholas S. Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded *An Encyclopedia of Freemasonry and Its Kindred Sciences* Albert Gallatin Mackey, 1912 *The Path of Freemasonry* Mark Stavish, 2021-09-28 Shares the history and meaning of Freemasonry and its symbols Offers thoughtful explorations of different areas of Masonic experience drawing on esoteric doctrines and paralleling them with experiences found in daily life Provides simple exercises and practices to help internalize and personalize the lessons presented including dreamwork journaling meditation and prayer In this practical guide Mark Stavish details the spiritual lessons and rituals of Freemasonry as a step by step path of spiritual development and self improvement for both Masons and non Masons men and women alike He explores the history and meaning of Freemasonry and its symbols from its origins in the Temple of Solomon to the Medieval craft guilds to the Renaissance and explains how the Craft promotes personal growth through the symbolic building of self and an inner Temple of Wisdom in much the same way that Masonry s rituals symbolize the building of Solomon s Temple in accordance with the mystical architectural instructions of Hiram Drawing on esoteric doctrines including the Qabala alchemy sacred geometry John Dee s angelic magic and the secrets of the Gothic cathedral builders each chapter addresses an area of the Masonic experience paralleling them with experiences each of us finds in our own lives The author provides simple practices to help internalize and personalize the lessons presented including dreamwork journaling meditation prayer and understanding sacred architecture The author also examines the crafting and use of the spiritual and symbolic tools of Freemasonry such as the trestle or tracing board and the Chamber of Reflection Providing the tools to make the Craft an initiatic experience of self improvement the author shows that ultimately the Masonic experience is the human quest for self realization and self expression so that we each may find our place in the Temple of Wisdom *The Symbolism of Freemasonry: Illustrating and Explaining Its Science and Philosophy, Etc* Albert Gallatin MACKEY, 1869 *The Discovery of Francis Bacon's Cipher Signatures in James Anderson's Constitutions of the*
