maintained for continuity All the stories and experiences are based on facts This book is about a love story that was kept secret for 18 years and perhaps shouldve remained a secret The first book related to this love story was a book of poems entitled Somewhere Sometime Somehow Love Poems and Short Stories published in 2008 by this author and Xlibris For the perceptive reader of this book one can trace the ups and downs of our love relationship These 18 years were filled with robust love and passion for each other Perhaps it was fantasy perhaps it was the most real thing we will ever experience The heartbreaking part of this love affair is that I am not really sure my lover ever really understood or appreciated my profound and unconditional love for her I opened my heart to her through poetry and thoughtful letters but she rarely showed me what was in her heart Perhaps it was a one sided love affair but I surely think and hope not I was convinced that she truly loved me through her words and actions At least I experienced a pure love that I had only dreamed was possible The story is told mainly through the exchange of letters and emails to each other Perhaps readers can experience and hopefully feel the deep love we felt for each other

Love Leads Us Home Lori Scarborough,2024-10-25 How many times do you wonder about Love What does it mean to Love and be Loved This book explores from a Biblical perspective how Love is expressed in Scriptures This book is written to challenge encourage and illustrate God s message to us Love is woven like a Scarlet Thread throughout the Bible connecting verses chapters and books providing a roadmap to our Eternal Home This book is not written from a theological lens but is meant to create a safe space for the reader to consider their own thoughts about each Scripture The book explores ways that as Christians we are called to Love but also acknowledges that we often fail to Love well in many ways as we interact with fellow Christians and others within our circle of influence While the focus is on verses of the Bible that mention the word Love there is opportunity to deeper explore many stories within the Bible The stories may surprise you as we see that Love is not always what we might expect Let this book speak to you as you discover how the Bible describes Love It is more than romance cupids and warm feelings God loves unconditionally but directs us how to Love His commandments each other and ourselves How we love others impacts how others view God as we demonstrate Christ s love through our words and actions In our brokenness we Love imperfectly but can continue to grow in our abilities There are several common themes that are seen in this study and each one is important as we continue to grow in our Spiritual journey This book highlights the work of other talented artists who have expressed their work through many mediums Take your time to listen and consider their thoughts as well
