their way into the treasure filled lair of a long dead bandit king Stashed away among the piles of ill begotten lucre is an item that catches Mukohda s attention a magical tablet containing the autobiography of an ancient Sage written in Japanese of all things What secrets could this mysterious book have to teach the other world s most cowardly chef Who was the Sage and how did he know Mukohda s native tongue Will Mukohda manage to stay at home for more than a day before Fel and the others drag him off to another dungeon And perhaps most importantly of all What on earth is he supposed to do with the preposterous mountain of money that s been amassing in his Item Box all this time Adventure awaits whether Mukohda likes it or not *Campfire Cooking in Another World with My Absurd Skill: Volume 1* Ren Eguchi,2019-05-06 Mukouda Tsuyoshi was nothing special in modern Japan so when he was summoned to a world of swordplay and sorcery he thought he was

ready for the adventure of a lifetime Too bad the kingdom that summoned him only got him by mistake Not only was he not one of the three summoned heroes but his stats were laughable compared to theirs On top of that there s something really sketchy about this kingdom Ah these people are the kind to try and use the Hero he realized and immediately left to make his own way in this other world The only thing Mukouda can rely on is his unique skill the Online Supermarket a skill that allows him to buy modern goods in a fantasy world It s useless for combat but if he plays his cards right he could lead a comfortable life maybe At least that s what Mukouda thinks but it turns out modern food bought with this skill has some absurd effects What happens when Mukouda introduces ridiculously tasty modern cooking to a fantasy world like this He gets some
