Exploring the Nexus Doctrine In International Tax Law Ajit Kumar Singh, 2021-05-14 In an age when cross border business transactions are increasingly effected without the transference of physical products revenue concerns of states have led to a multitude of tax disputes based on the concept of nexus This important and timely book is the most authoritative to date to discuss one of the major tax topics of our time the question of how taxing rights on income generated from cross border activities in the digital age should be allocated among jurisdictions Demonstrating in prodigious depth that it is the economic nexus of the tax entity or activity with the state and not the physical nexus which meets the jurisdictional requirement the author a leading authority on this area who is a Senior Commissioner of Income Tax and a Member of the Dispute Resolution Panel of the Government of India addresses such dimensions of the subject as the following whether a strict territorial nexus as a normative principle is ingrained in source rule jurisprudence detailed scrutiny of such classical

doctrines as benefit theory neutrality theory and international equity comparative critique of the Organisation for Economic Co operation and Development OECD and United Nation UN model tax treaties whether international law and customary principles mandate a strict territorial link with the source state for the assumption of tax jurisdiction whether the economic nexus based tax jurisdiction and absence of a physical presence breach the constitutional doctrine of extraterritoriality or due process and whether retrospective tax legislation breaches the principle of constitutional fairness The book offers a politically informed analysis of the nexus principle and balances the dynamics of physical presence and economic nexus standards based on an in depth survey of the historical evolution of judicial pronouncements and international practices in this regard Dr Singh s book exposes an urgently needed missing link in the international source rule literature and takes a giant step towards solving the thorny question of appropriate tax apportionment It sheds brilliant light on the policies states may adopt when signing new tax treaties so that unintended results may be foreseen and avoided Tax practitioners taxation authorities and academic researchers in the field of international tax law and policy will greatly appreciate the book s forthright enhancement of the ability to defend challenges based on the nexus doctrine *Luxembourg Business Law Handbook Volume 1 Strategic Information and Basic Laws* IBP USA,2013-08 *Luxembourg Business Law Handbook Strategic Information and Basic Laws* *Serbia Mineral, Mining Sector Investment and Business Guide Volume 1 Strategic Information and Regulations* IBP USA, [The Organisation for Economic Co-operation and Development \(OECD\)](#) Richard Woodward,2009-05-08 A much needed accessible introduction to the Organization for Economic Co operation and Development OECD a crucial though often neglected institution *Finland Investment, Trade Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws* IBP USA,2013-08 Following The Soldier s Return heralded as a novel written in fine steel sentences and granite paragraphs by the Washington Post and the equally brilliant A Son of War Melvyn Bragg brings one of the finest sagas of postwar Britain London Sunday Telegraph to a stunning conclusion Set in the 1950s this absorbing novel follows the intertwined fates of people crossing boundaries in their lives Alive with a wide cast of characters Crossing the Lines vividly portrays the spirit and atmosphere of the mid century and the profound changes taking place at the time in morals religion music and social class Moving and evocative this masterly novel and the two that have preceded it are rightfully hailed as contemporary classics **Switzerland Tax Guide Volume 1 Strategic and Practical Information, Contacts** IBP USA, **US-SPAIN Economic and Political Cooperation Handbook Volume 1 Strategic Information and Developments** IBP USA,2013-08 2011 Updated Reprint Updated Annually US Spain Economic and Political Cooperation Handbook [The United States-Colombia Trade Promotion Agreement, Volume 1 of 2, April 8, 2008, 110-2 House Document 110-103](#) ,2008
