Tom Huhn

Models Of Desire Rene Girard And The Psychology Of Mimesis:

Models of Desire Paisley Livingston,1992 *Models of Desire* Paisley Livingston,1992 One of the signal achievements of Livingston's investigation is to highlight distinctions qualifications and nuances in Girard's own writings that to date have gone largely unnoticed and that ultimately further the scientific potential of his ideas by **René Girard's Mimetic Theory** Wolfgang Palaver,2013-01-01 A systematic introduction into the mimetic theory of the French American literary theorist and philosophical anthropologist Ren Girard this essential text explains its three main pillars mimetic desire the scapegoat mechanism and the Biblical difference with the help of examples from literature and philosophy This book also offers an overview of Ren Girard's life and work showing how much mimetic theory results from existential and spiritual insights into one's own mimetic entanglements Furthermore it examines the broader implications of Girard's theories from the mimetic aspect of sovereignty and wars to the relationship between the scapegoat mechanism and the question of capital punishment Mimetic theory is placed within the context of current cultural and political debates like the relationship between religion and modernity terrorism the death penalty and gender issues Drawing textual examples from European literature Cervantes Shakespeare Goethe Kleist Stendhal Storm Flaubert Dostoevsky Proust and philosophy Plato Camus Sartre L vi Strauss Derrida Vattimo Palaver uses mimetic theory to explore the themes they present A highly accessible book this text is complemented by bibliographical references to Girard's widespread work and secondary literature on mimetic theory and its applications comprising a valuable bibliographical archive that provides the reader with an overview of the development and discussion of mimetic theory until the present day **Rene Girard and Myth** Richard Golsan,2014-06-11 In this comprehensive introduction to the work of contemporary French critic Rene Girard Richard Golsan focuses on Girard's theory of myth and its connections to his broader exploration of the origins of suffering and violence in Western culture Golsan highlights two of Girard's primary concepts mimetic desire and the scapegoat and employs the concepts to illustrate the ways Girardian analysis of violence in biblical classical and folk myths has influenced recent work in theology psychology literary studies and anthropology The book concludes with an interview between Golsan and Girard who offers his own analysis of the appropriation and criticism of his work by a politically and intellectually diverse company of scholars

Mimesis and Science Scott R. Garrels,2011-10-31 This exciting compendium brings together for the first time some of the foremost scholars of Ren Girard's mimetic theory with leading imitation researchers from the cognitive developmental and neuro sciences These chapters explore some of the major discoveries and developments concerning the foundational yet previously overlooked role of imitation in human life revealing the unique theoretical links that can now be made from the neural basis of social interaction to the structure and evolution of human culture and religion Together mimetic scholars and imitation researchers are on the cutting edge of some of the most important breakthroughs in understanding the distinctive human capacity for both incredible acts of empathy and compassion as well as mass antipathy and violence As a result this

interdisciplinary volume promises to help shed light on some of the most pressing and complex questions of our contemporary world

Mimetic Theory and Biblical Interpretation Michael Hardin, 2017-06-19 For close to two thousand years Christian theology has been captivated by a sacrificial rendering of the Gospel that renders God as retributive arbitrary and Janus faced In the past fifty years a non sacrificial way of perceiving the Gospel God and the mission and message of Jesus has challenged this sacrificial hegemony Now what began as a trickle in the 1960s has burst the dam and the Gospel is on a collision course with Christianity What are some of the implications of this moment What is the integral cohesion in a non sacrificial theology ethics and spirituality What does Christian doctrine look like if one removes retributive economies of exchange

Psychology and the Meconnaissance of Desire Lisa Danner Finlay, 2011 Ren Girard critiques psychologists for their m connaissance or misunderstanding of human desire He theorizes that rather than a linear relationship between a subject and an object chosen for its inherent value desire is a radically imitative profoundly interpersonal phenomenon that results in conflict when desires coalesce on objects that cannot be shared The ramifications of Girard s mimetic theory challenge several foundational assumptions in psychology including the idea of an independent autonomous self and the notion of psychological symptoms and interpersonal problems as manifestations of intrapsychic conflict Incorporating mimetic theory into existing theories of mental illness and treatment provides a valuable corrective for the practice of psychotherapy particularly in terms of conceptualizing psychopathology navigating the therapeutic relationship and guiding therapeutic interventions The author s goal is to evaluate mimetic theory and translate it into concepts and techniques that therapists can utilize within their preferred treatment modalities It is argued that ultimately incorporating mimetic theory into treatment should include a cooperative effort to evaluate the models that shape clients desires and that this can help clients learn to adopt good models conscientiously a process that goes beyond the boundaries of a neutral secular psychotherapy and into the realms of theology and ethics Keywords mimesis desire violence psychotherapy

James Alison and a Girardian Theology John P. Edwards, 2020-05-14 Opening with a Foreword by James Alison this volume is the first in depth treatment of Alison s theological method John P Edwards shows that Alison s theological project outstrips Ren Girard s application of mimetic theory to theology He concludes that an explicitly Christian theological perspective is necessary for providing a fully coherent account of Girard s notions of conversion and mimetic desire This volume grounds Alison s theological method in his understanding of the ongoing interaction between conversion and theological reflection which is informed by his use of mimetic theory While Alison describes this method as theology in the order of the discovery the author refers to it as an inductive theology The volume closes by demonstrating that such a theology bears fruit in a renewed understanding of the value of Christian doctrines and particularly the doctrine of revelation

Selfhood and Sacrifice Andrew O'Shea, 2010-04-08

Clever as Serpents Jim Grote, 1997 Centuries ago Thomas Aquinas remarked that there can be no joy in life if there is no joy in one s work Drawing upon the seminal insights of Rene

Girard *Clever as Serpents* confronts this timeless issue of finding peace in one's work and offers practical guidance on how people acting together can cultivate virtuous business. *Clever as Serpents* provides ethical insight in business life: the job market and office politics revealing that business culture while often corrupt can be transformed through the practice of asceticism. It suggests that instead of renouncing worldly comforts and retreating to a monastery, business asceticism embraces and masters the discomforts of business life through a disciplined and unique approach to the rigors of the competitive marketplace. *Clever as Serpents* is divided into two parts: theory and strategy. Chapters one through five deal with a unique approach to management theory and the behavior of financial markets. It first examines the myths that hide the reality of the marketplace. Chapter two examines the myth of freedom; chapter three the myth of competition. With these myths exposed, chapters four and five examine the secret of the marketplace through the theories of borrowed desire and the management complex. Chapters six through ten deal with practical techniques for dealing with the jungle of office politics. Chapter six relates the theory of borrowed desire to the dynamics of office gossip. Chapters seven through nine offer practical tips on surviving office politics, becoming successful, and redeeming the marketplace through ethical action. For the many people who experience the workplace as frustrating or unfair, struggle with office politics as well as the question of whether their workday lives have any religious significance or spiritual depth, this work provides concrete suggestions for practicing an ethics of survival, of success, and of service. Jim Grote works in stewardship and development for a Roman Catholic archdiocese. He has taught business ethics and philosophy at several colleges and universities. Co-author of *Theology and Technology*, he has written articles for the *Catholic Worker*, *Church Cistercian Studies Quarterly*, *Cross Currents*, and *Spirituality Today*. John McGeeney, an attorney for a financial services company, has worked in securities law for a Fortune 500 company and for a large social service organization in New York City.

René Girard and Creative Mimesis Vern Neufeld Redekop, Thomas Ryba, 2013-11-21 For half a century René Girard's theories of mimetic desire and scapegoating have captivated the imagination of thinkers and doers in many fields as an incisive look into the human condition, particularly the roots of violence. In a 1993 interview with Rebecca Adams, he highlighted the positive dimensions of mimetic phenomena without expanding on what they might be. Now two decades later, this groundbreaking book systematically explores the positive side of mimetic theory in the context of the multi-faceted world of creativity. Several authors build on Adams' insight that loving mimesis can be understood as desiring the subjectivity of the other, particularly when the other may be young or wounded. With highly nuanced arguments, authors show how mimetic theory can be used to address child and adult development, including the growth of consciousness and a capacity to handle complexity. Mimetic theory is brought to bear on big questions about creativity in nature, evolutionary development, originality, and religious intrusion into politics. **A Genealogy of Violence and Religion** James Bernard Murphy, 2018-04-11 Why are religious rituals, symbols, and rhetoric so full of images of blood, sacrifice, and death? Why does religious fervor so often lead to Holy War, Crusade, and Jihad? No wonder

many people assume that religion tends to give rise to violence But what if it were the other way around What if violence actually gave rise to religion So argued the French literary theorist and anthropologist Rene Girard 1923-2015 Described as the Darwin of the human sciences he was elected to the French Academy in 2005 for his seminal theories of sacred violence Girard argued that religious practices function to sublimate regulate and discharge human violence in controlled rituals Where does violence come from According to Girard from the social nature of human desire itself We desire things only because others desire them so desire is inherently rivalrous leading to violent conflict But if a scapegoat can be found then this war of all against all turns into a war of all against one Social order claimed Girard stems from the unity of a lynch mob Religious rituals then serve to commemorate the primordial murder of the scapegoat What are we to make of Girard's provocative claims about human desire violence scapegoat killings and religion Political philosopher James Bernard Murphy presents here a series of sharp and witty dialogues in which Girard attempts to defend his ideas against attacks by rival theorists among them Sigmund Freud William James Simone Weil Elias Canetti and Joseph de Maistre Whatever we might think of his answers Girard asks challenging unsettling questions In these illuminating and lively exchanges Girard squares off with the titans of social theory

Violence, Desire, and the Sacred, Volume 2 Scott Cowdell, Chris Fleming, Joel Hodge, 2014-01-30 This collection of state of the art interpretations of the thought of Rene Girard follows on from the volume *Violence Desire and the Sacred Girard's Mimetic Theory Across the Disciplines* 2012 The previous collection has been acclaimed for demonstrating and showcasing Girard's mimetic theory at its interdisciplinary best by bringing together scholars who apply Girard's insights in different fields This new volume builds on and extends the work of that earlier collection by moving into new areas such as psychology politics classical literature national literature and practical applications of Girard's theory in pastoral spiritual care peace making and religious thought and practice

The Idea of Creativity Michael Krausz, Denis Dutton, Karen Bardsley, 2009 Seventeen philosophers scientists and artists consider questions about the intriguing idea of creativity Is creativity essentially mysterious Is creativity essentially inspirational or rationalistic What role does skill play in creativity What are the criteria of creativity Should we assign logical priority to creative persons creative processes or creative products How do forms of creativity relate to different domains of human activity How does creativity relate to self transformation How does our knowledge of the circumstances of creativity effect our appreciation of its products Can a recipient of a creative work also be a creator of it Contributors include Margaret Boden Larry Briskman John M Carvalho David Davies Berys Gaut Rom Harras Carl R Hausman Albert Hofstadter Arthur Koestler Michael Krausz Peter Lamarque Thomas Leddy Paisley Livingston Michael Polanyi Dean Keith Simonton and Francis Sparshott

The Libertine's Progress Pierre Saint-Amand, 1994 The Libertine's Progress is a comprehensive and concise study of the eighteenth century French novel providing a fresh look at amorous relations and offering a radical presentation of the dark side of the Enlightenment In his preface to the new edition Rene Girard writes of Pierre Saint Amand's successful

rendering of the *essai classique* Not a word in his book is superfluous not a turn of phrase is selected for rhetorical effect That is why he writes so elegantly Maintaining that the eighteenth century was the last period to practice the art of seduction Saint Amand examines the complex relationship between desire and the ploys of those who seek to satisfy it He writes about the magic that permeated the imagination of Enlightenment novelists and about the obscurity of amorous passion placing modern seduction back in its archaic beginnings This edition of the 1987 French publication has been substantially revised and extended in an elegant translation by Jennifer Curtiss Gage

Imitation and Society Tom Huhn, 2007-08-09 This book reconsiders the fate of the doctrine of mimesis in the eighteenth century Standard accounts of the aesthetic theories of this era hold that the idea of mimesis was supplanted by the far more robust and compelling doctrines of taste and aesthetic judgment Since the idea of mimesis was taken to apply only in the relation of art to nature it was judged to be too limited when the focus of aesthetics changed to questions about the constitution of individual subjects in regard to taste Tom Huhn argues that mimesis rather than disappearing instead became a far more pervasive idea in the eighteenth century by becoming submerged within the dynamics of the emerging accounts of judgment and taste Mimesis also thereby became enmeshed in the ideas of sociality contained often only implicitly within the new accounts of aesthetic judgment The book proceeds by reading three of the foundational treatises in aesthetics Burke's *Philosophical Enquiry into the Origin of Our Ideas of the Sublime and Beautiful* Hogarth's *Analysis of Beauty* and Kant's *Critique of Judgment* with an eye for discerning where arguments and analyses betray mimetic structures Huhn attempts to explicate these books anew by arguing that they are pervaded by a mimetic dynamic Overall he seeks to provoke a reconsideration of eighteenth century aesthetics that centers on its continuity with traditional notions of mimesis

Sacrifice and the Body John Dunnill, 2016-04-08 What is sacrifice For many people today the word has negative overtones suggesting loss or death or violence But in religions ancient and modern the word is linked primarily to joyous feasting which puts people in touch with the deepest realities How has that change of meaning come about What effect does it have on the way we think about Christianity How does it affect the way Christian believers think about themselves and God John Dunnill's study focuses on sacrifice as a physical event uniting worshippers to deity Bringing together insights from social anthropology biblical studies and Trinitarian theology Dunnill links to debates in sociology and cultural studies as well as the study of liturgy Through a positive view of sacrifice Dunnill contributes to contemporary Christian debates on atonement and salvation

Multifaceted Explorations of Consumer Culture and Its Impact on Individuals and Society Burns, David J., 2018-10-12 Consumer culture influences virtually all activities within modern societies and has become an important area of study for businesses Logical analysis of consumer behavior is difficult as humans have different reasons for repeatedly buying products they need or want and it is challenging to follow why they buy unneeded or unwanted products regularly Without a comprehensive understanding of consumer culture as the basis market discussions become empty and produce little insight into the power consumers hold in affecting

other individuals and society Multifaceted Explorations of Consumer Culture and Its Impact on Individuals and Society provides emerging research from different perspectives on the basis and ramifications of consumer culture as well as how it affects all aspects of the lives of individuals While providing a platform for exploring interpersonal interactions and issues related to ethics in marketing readers will gain valuable insight into areas such as consumer vs producer mentality the effects of consumerism on developing countries and the consequences of consumerism This book is an important resource for marketing professionals business managers sociologists students academicians researchers and consumer professionals

How We Became Human Pierpaolo Antonello, Paul Gifford, 2015-10-01 From his groundbreaking *Violence and the Sacred* and *Things Hidden since the Foundation of the World* René Girard's mimetic theory is presented as elucidating the origins of culture He posits that archaic religion or the sacred particularly in its dynamics of sacrifice and ritual is a neglected and major key to unlocking the enigma of how we became human French philosopher of science Michel Serres states that Girard's theory provides a Darwinian theory of culture because it proposes a dynamic shows an evolution and gives a universal explanation This major claim has however remained underscrutinized by scholars working on Girard's theory and it is mostly overlooked within the natural and social sciences Joining disciplinary worlds this book aims to explore this ambitious claim invoking viewpoints as diverse as evolutionary culture theory cultural anthropology archaeology cognitive psychology ethology and philosophy The contributors provide major evidence in favor of Girard's hypothesis Equally Girard's theory is presented as having the potential to become for the human and social sciences something akin to the integrating framework that present day biological science owes to Darwin something compatible with it and complementary to it in accounting for the still remarkably little understood phenomenon of human emergence

René Girard and Creative Reconciliation Vern Neufeld Redekop, Thomas Ryba, 2014-01-09 The contribution of this book to the field of reconciliation is both theoretical and practical recognizing that good theory guides effective practice and practice is the ground for compelling theory Using a Girardian hermeneutic as a starting point a new conceptual Gestalt emerges in these essays one not fully integrated in a formal way but showing a clear understanding of some of the challenges and possibilities for dealing with the deep divisions enmity hatred and other effects of violence By situating discourse about reconciliation within the context of Girardian thought it becomes clear that like Peter who vowed he would never deny Jesus but ended up doing it three times any of us is susceptible to the siren call of angry resentment and retaliation It is with a profound awareness of the power of violence that the emergence of mimetic discourse around reconciliation takes on particular urgency

Reviewing **Models Of Desire Rene Girard And The Psychology Of Mimesis**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is really astonishing. Within the pages of "**Models Of Desire Rene Girard And The Psychology Of Mimesis**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Models Of Desire Rene Girard And The Psychology Of Mimesis Introduction

Models Of Desire Rene Girard And The Psychology Of Mimesis Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Models Of Desire Rene Girard And The Psychology Of Mimesis Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Models Of Desire Rene Girard And The Psychology Of Mimesis : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Models Of Desire Rene Girard And The Psychology Of Mimesis : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Models Of Desire Rene Girard And The Psychology Of Mimesis Offers a diverse range of free eBooks across various genres. Models Of Desire Rene Girard And The Psychology Of Mimesis Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Models Of Desire Rene Girard And The Psychology Of Mimesis Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Models Of Desire Rene Girard And The Psychology Of Mimesis, especially related to Models Of Desire Rene Girard And The Psychology Of Mimesis, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Models Of Desire Rene Girard And The Psychology Of Mimesis, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Models Of Desire Rene Girard And The Psychology Of Mimesis books or magazines might include. Look for these in online stores or libraries. Remember that while Models Of Desire Rene Girard And The Psychology Of Mimesis, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you

can borrow Models Of Desire Rene Girard And The Psychology Of Mimesis eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Models Of Desire Rene Girard And The Psychology Of Mimesis full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Models Of Desire Rene Girard And The Psychology Of Mimesis eBooks, including some popular titles.

FAQs About Models Of Desire Rene Girard And The Psychology Of Mimesis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Models Of Desire Rene Girard And The Psychology Of Mimesis is one of the best book in our library for free trial. We provide copy of Models Of Desire Rene Girard And The Psychology Of Mimesis in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Models Of Desire Rene Girard And The Psychology Of Mimesis. Where to download Models Of Desire Rene Girard And The Psychology Of Mimesis online for free? Are you looking for Models Of Desire Rene Girard And The Psychology Of Mimesis PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Models Of Desire Rene Girard And The Psychology Of Mimesis. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Models Of Desire Rene Girard And The Psychology Of Mimesis are for sale to free while some are payable. If you arent sure if the books you would like to

download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Models Of Desire Rene Girard And The Psychology Of Mimesis. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Models Of Desire Rene Girard And The Psychology Of Mimesis To get started finding Models Of Desire Rene Girard And The Psychology Of Mimesis, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Models Of Desire Rene Girard And The Psychology Of Mimesis So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Models Of Desire Rene Girard And The Psychology Of Mimesis. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Models Of Desire Rene Girard And The Psychology Of Mimesis, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Models Of Desire Rene Girard And The Psychology Of Mimesis is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Models Of Desire Rene Girard And The Psychology Of Mimesis is universally compatible with any devices to read.
