- ▶ Concise writing is different from summarizing.
- ▶ When you summarize, you are taking a document, website, series of reports, or other large amount of text and condensing it down to its main points.
- ▶ When you write concisely, you maintain main ideas, supporting details, examples, description, etc.
- ▶ But, you are writing in short, clear sentences with active voice and strong verbs.
- ▶ In other words, when you write concisely, you keep the content but change the style
