China's Road to Development N. Maxwell, 2014-06-28 China's Road to Development is a collection of papers by specialists on aspects of China's economy and society It covers a wide range of subjects from development strategy to the specifics of small scale energy exploitation from the role of women in China's development to the greening of China through great efforts in afforestation Commenting on the limited issue original edition a special issue of the journal World Development from which this volume has been greatly expanded Dr Knowles President of the Rockefeller Foundation wrote A magnificent collection of essays by very astute and experienced observers covering everything from population control health economic planning trade city planning and rural development to Chinese aid in building the Tanzania Zambia railway If I could only afford two books on modern China I would get this one The Cambridge History of China ,1980 Modern Chinese Literature in the May Fourth Era Merle Goldman, 1977 One of the most creative and brilliant episodes in modern Chinese history the cultural and literary flowering that takes the name of the May Fourth Movement is the subject of this comprehensive and insightful book This is the first study of modern Chinese literature that shows how China's Confucian traditions were combined with Western influences to create a literature of new values and Chinese History in Geographical Perspective Jeff Kyong-McClain, Yongtao consciousness for the Chinese people Du,2013-01-30 This volume treats China first and foremost as an evolving and imagined geographical entity The contributors explore China's last five hundred years of history using geography as a lens through which to approach such issues as sports ethnography cartography religion elite and popular culture transnational networking urban planning and politics

Confucianism in Contemporary Chinese Politics Shanruo Ning Zhang,2016-03-29 This book examines the ways in which Confucian political culture operates in contemporary Chinese politics and influences its development The author argues that the authoritarian political culture performs functions similar to the democratic political culture drawing on a wide range of data surveys interviews archives Public Hearing Meeting records and the Party Congress Reports of the Chinese Communist Party to substantiate and illustrate these arguments In an authoritarian political system the legitimating values of the authoritarian political culture persuade the public of their government's legitimacy and the engaging values equip individuals with a set of cultural dispositions resources and skills to acquire political resources and services from the state In the context of Chinese politics personal connections infused with affection and trust the Social Capital in the Confucian culture facilitate political engagement Despite the country's continuous advocacy for the rule of law state and public perceptions of legal professionals and legal practices such as mediation and lawyer judge relations are fundamentally moralized A new people ideology which originated in the Confucian political culture has been re appropriated to legitimate the Party's hegemonic governing position and policies

Key Concepts in Practice Paul R. Katz, Stefania Travagnin, 2019-05-20 In recent years the study of modern Chinese religions has developed into a highly innovative yet challenging field One of the main reasons for

this involves an ongoing and largely unresolved debate regarding what methods and theories are appropriate for analyzing the wide range of beliefs and practices we encounter This series of three volumes is based on the conviction that in this critical period of research on modern Chinese religions it is time for scholars to review the development of our field reconsider its present state of theories and analytical models and open a new chapter in the understanding of methodologies we employ Our research is grounded on the need to re evaluate concepts and practices that inform both the religious sphere and contemporary scholarship including endogenous Chinese concepts and exogenous ideas from the West and Japan that have been foundational in shaping our knowledge of the Chinese religious landscape In this third volume of our series we examine a variety of key concepts through their praxis in modern Chinese lived religions **Senegal Business** Intelligence Report Volume 1 Strategic Information, Regulations, Contacts IBP, Inc., 2017-11-30 Senegal Business Intelligence Report Practical Information Opportunities Contacts International Migration in the New Millennium Danièle Joly, 2017-03-02 International migration is an issue of enduring interest and debate as strong as ever in the 21st century This in depth global examination proposes a balance sheet of international migration and highlights its consequences regarding migrant populations at the turn of the century It draws together theoretical studies supported by empirical examples and derives from quantitative as well as qualitative research Assessing the major existing models within the theory of international migration the contributors continue to examine a variety of key themes including increased flows of female migration the meaning and relationship between identity ethnicity and diaspora return migration and the complex problem of reintegration The volume also establishes a typology of refugees and examines the different domains of ethnicity and racism A valuable volume for all those interested in migration population settlement and transnational communities it addresses all the major issues of international migration in the new millennium Research Anthology on E-Commerce Adoption, Models, and Applications for Modern Business Management Association, Information Resources, 2021-04-16 In the next few years it is expected that most businesses will have transitioned to the use of electronic commerce technologies namely e commerce This acceleration in the acceptance of e commerce not only changes the face of business and retail but also has introduced new adaptive business models.
