

The background of the book cover is a composite image. The top half shows a large, detailed Earth from space, with a crescent moon in the upper right. A vibrant rainbow arches across the middle of the cover, spanning from the left side down to the right side, passing behind the title. Below the rainbow, there is a landscape with green hills and a body of water. The bottom of the cover features an underwater scene with various colorful fish, including a large striped surgeonfish and several clownfish, swimming over a coral reef.
