Practical Lurcher Breeding , **The Modern Lurcher** Michael Shaw,1985-01-01 **In Pursuit of Coney** David Brian Plummer,2001-04 **British Zoology** Thomas Pennant,1768 **The Rival Widows, or Fair Libertine (1735)** Tiffany Potter,2016-12-05 Elizabeth Cooper s *The Rival Widows or Fair Libertine* provides a unique opportunity to restore to scholarly and pedagogical attention a neglected female writer and a play with broad and significant implications for studies of eighteenth century history culture and gender Following the adventures of Lady Bellair a glowing joyous young Widow the storyline regenders standard expectations about desire marriage libertinism and sentiment The play has not been reprinted since 1735 therefore this old spelling edition gives scholars access to an important but neglected resource for studies of women writers and eighteenth century theatre In an original and extensive introduction Tiffany Potter presents cultural and historical information that highlights the scholarly implications of this newly available play She offers a brief biographical sketch of the playwright a summary of sources for specific elements of the play an overview of the theatrical climate of the time with particular focus on the conditions leading to the Licensing Act of 1737 a discussion of the place of women in eighteenth century society a summary of symbiotic cultural discourses of libertinism and sensibility in the early eighteenth century and a discussion of the general cultural significance of Cooper s demonstration of the malleability of prescriptive gender roles Further value is added to this edition through its appendices which reproduce documents relating to the playwright Elizabeth Cooper and to the Licensing Act of 1737 including the text of the Act itself **Adventures of an Artisan Hunter** David Brian Plummer,2000-10 Account of Plummer s development as a hunter from boyhood exploits with lurcher and terrier to adulthood with many interesting digressions Includes chapters on cock fighting and bird catching cooking and eating badgers foxes and rats hawks and hawking Although Plummer often comes across as bonkers many of his apparently eccentric actions such as badger eating or covering himself with a concoction of badger grease and herbs were experiments to establish the plausibility of claims made by other writers Being perpetually surrounded by people incapable of sharing this pioneering spirit of enquiry seems the source of his restlessness and the driving force behind the hundreds of books he wrote in his lifetime This is not to say that Plummer did not have deep problems as he himself describes in *Hancock s My Life with Lurchers* **Animated nature** Oliver Goldsmith,1825 **Goldsmith's History of the Earth and Animated Nature, Abridged** Oliver Goldsmith,1807 **A History of the Earth and Animated Nature by Oliver Goldsmith ...
