Copyright Office,1947 **The Importance of Place in Contemporary Italian Crime Fiction** Barbara Pezzotti,2012-09-14 By taking as its point of departure the privileged relationship between the crime novel and its setting this book is the most wide ranging examination of the way in which Italian detective fiction in the last twenty years has become a means to articulate the changes in the social landscape of the

country Nowadays there is a general acknowledgment of the importance of place in Italian crime novels However apart from a limited scholarship on single cities the genre has never been systematically studied in a way that so comprehensively spans Italian national boundaries The originality of this volume also lies in the fact that the author have not limited her investigation to a series of cities but rather she has considered the different forms of social landscape in which Italian crime novels are set Through the analysis of the way in which cities the urban sprawl and islands are represented in the serial novels of eleven of the most important contemporary crime writers in Italy of the 1990s Pezzotti articulates the different ways in which individual authors appropriate the structures and tropes of the genre to reflect the social transformations and dysfunctions of contemporary Italy In so doing this volume also makes a case for the genre as an instrument of social critique and analysis of a still elusive Italian national identity thus bringing further evidence in support of the thesis that in Italy detective fiction has come to play the role of the new social novel

Lamb,2024-09-15 Are you ready for a stroll down memory alley Can you recall a time when cops arrested rioters who were setting fire to buildings and vandalizing historical monuments Remember when shoplifters actually went to jail Imagine an era when violent lunatics weren t allowed to wander freely through neighborhoods and menace residents Don t you wish you lived in a time when the police were allowed to do their jobs Retired Southern California homicide detective John J Lamb remembers those days because he was there Service With a Sneer is the first volume in his entertaining sardonic and unremorseful memoirs The book takes the bold reader on a journey a half century into the past It s an era before computers automated license plate readers and body cams It s a time when Tasers didn t exist and the only less

lethal options open to police officers were nightsticks and fists Yet those old time cops did a pretty fair job keeping the streets safe The tale begins in the early 1960s Lamb was a little boy with the deck stacked against him He suffered from a crippling bone disease that forced him to wear a full metal leg brace was so myopic he was legally blind and was the victim of brutal and regular child abuse Yet his improbable dream was to become a police officer He made that goal a reality First in 1974 when he joined the USAF Security Police and five years later when he became a deputy sheriff with the Riverside County Sheriff s Department working in the desert and tourist cities near Palm Springs Lamb s stories include How his work with British police detectives on a major and successful drug trafficking investigation led to his being targeted as a troublemaker by his USAF commanding officer How following shoe impressions in the desert sands led him to a pair of professional cat burglars who were pillaging homes in an exclusive community of millionaires His surprising observation while working a traffic security detail for then President elect Ronald Reagan s motorcade Some readers might remember Lamb as the author of a series of cozy mystery novels set in the warm world of collectible teddy bears Don t look for anything cute and cuddly in his newest book Instead he freely mixes tragedy with absurdity as he shares tales about vicious fights high speed fatal traffic crashes the terrorist attack that wasn t and how he convinced a woman that he had the know how to evict Satan from her apartment The stories are shocking infuriating ironic heart rending and sometimes gruesomely funny Best of all they re all true
