Modern American Prose:

Modern American Prose Robert DiYanni, 1993 MODERN AMERICAN PROSE Third Edition includes four essays by each of fifteen major American essayists and one essay by each of fifteen American writers allowing students to see the range of a writer's work and the creative nature of the essay Excellent rhetorical apparatus introductions and questions provides a means to more analytical and evaluative reading The broad collection of writers and works gives students an introduction to the nature and power of the essay as a genre plus a better sense of writers individual and varied voices *Modern American Prose* John Clifford, Robert DiYanni, 1987 *Modern American Prose* John Clifford, Robert DiYanni, 1983 *Modern American Prose Selections* Byron Johnson Rees, 1920 [Modern American Prose Selections](#) Byron J. Rees, 2015-06-17

Excerpt from *Modern American Prose Selections* As the reader if he wishes may discover without undue delay the little volume of modern prose selections that he has before him is the result of no ambitious or pretentious design It is not a collection of the best things that have lately been known and thought in the American world it is not an anthology in which all our best authors are represented by striking or celebrated passages The editor planned nothing either so precious or so eclectic His purpose rather was to bring together some twenty examples of typical contemporary prose in which writers who know whereof they write discuss certain present day themes in readable fashion In choosing material he has sought to include nothing merely because of the name of the author and he has demanded of each selection that it should be of such a character both in subject and style as to impress normal and wholesome Americans as well worth reading The earlier selections President Roosevelt's noble eulogy upon Lincoln Secretary Lane's two addresses on American tradition and heritage and Governor Coolidge's address at Holy Cross remind the reader of the high significance of our national past and indicate the promise of a rightly apprehended future About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Modern American Prose Selections** Byron Johnson Rees, 2023-07-18 This compelling anthology showcases some of the finest examples of contemporary American prose writing offering readers a rich and diverse array of voices and perspectives Rees's insightful commentary sets each piece in context and illuminates the unique qualities that make it a standout work of literature This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we

concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
