**If a Zombie Apocalypse Did Occur** Amy L. Thompson,Antonio S. Thompson,2015-09-02 Part pop culture trope part hypothetical cataclysm the zombie apocalypse is rooted in modern literature film and mythology This collection of new essays considers the implications of this scientifically impossible but perhaps imminent event examining real world responses to pandemic contagion and civic chaos as well as those from Hollywood and popular culture The contributors discuss the zombie apocalypse as a metaphor for actual catastrophes and estimate the probabilities of human survival and behavior during an undead invasion **The Enigmatic Pyramids** Pasquale De Marco,2025-07-27 The pyramids of Egypt are some of

the most iconic and awe inspiring structures in the world For centuries they have captured the imagination of people around the globe inspiring wonder mystery and speculation In this book we will explore the pyramids from every angle from their construction to their purpose to their place in popular culture We will begin by examining the ancient wonders themselves How were the pyramids built What was their purpose And what secrets do they still hold We will then explore the exploration of the pyramids from the early explorers to the modern scientists who continue to study them today No discussion of the pyramids would be complete without considering their place in popular culture The pyramids have been featured in countless movies TV shows books games and music They have also been the subject of much speculation and controversy Finally we will look at the pyramids and the future What does the future hold for these ancient structures How can we protect and preserve them for generations to come And what new discoveries await us The pyramids of Egypt are a testament to the ingenuity and creativity of the ancient Egyptians They are a reminder of the power of human ambition and the enduring legacy of our past In this book we will explore the pyramids from every angle unlocking their secrets and unraveling their mysteries This book is perfect for anyone who is interested in the pyramids of Egypt ancient history or archaeology It is also a great resource for students and teachers If you like this book write a review **The World Is Your Oyster** Jeff D.

Opdyke,2008-04-01 How Jeff D Opdyke became a successful international investor is an Everyman tale that began thirteen years ago when he discarded conventional wisdom At the time Wall Street s pros insisted that average investors buy domestic mutual funds that invest overseas But Jeff ignored their tepid advice Instead he opted for the intrepid opening bank

and brokerage accounts from New Zealand to Hong Kong in order to buy the local stocks he wanted to own not those that some fund manager deemed worthy Jeff did so with great insight People are people no matter whether home is in Madrid Memphis or Mumbai They drink beer and buy homes and the furnishings and appliances to put in them As hundreds of millions of people around the world strive to move into the middle class the companies that meet these basic needs are becoming the great investment opportunities of today and tomorrow Only a fraction of them however trade on American stock exchanges So armed with simple tools available to you and me the Internet and an e mail account Jeff found companies intimately tied to their local economies but capable of expansion to America perhaps or more important to Asia and other regions of explosive growth One such company is Fisher Paykel a New Zealand based maker of appliances that over the course of a dozen years has produced a steady stream of dividends and special distributions and has gained more than 17 percent a year for Jeff How to find companies like Fisher Paykel is the heart of this book You can indeed make the world your oyster by diversifying your portfolio and Jeff provides indispensable insight and practical guidelines for every aspect of investing directly overseas He shows how to research and track companies set up foreign brokerage accounts handle tax issues convert currencies and fund accounts Why venture beyond the United States to begin with Because America is really just one small island For every American public company there are four beyond our shores many of which are small to midsize and have huge potential for growth which you ll never find by trading in America alone If you re ready to take the next step in building a truly diversified portfolio you will gain a wealth of invaluable insight and information from Jeff s engaging first person accounts of his trial and error but ultimately highly successful globe trotting career in search of worthy stocks The opportunities for investing overseas are indisputable The World Is Your Oyster is your travel guide pinpointing five of the best reasons to go global detailing various ways for investors of every temperament from timid to adventurous to cross financial borders focusing on how to invest directly in hot spots from China to Turkey to Eastern Europe and revealing how the Internet and other twenty first century technology has opened a world of direct overseas investment opportunities for you

**Postmodernism. What moment?** Pelagia Goulimari, 2024-06-04 This collection assembles many of the major theorists of postmodernism across the humanities and the social sciences to reconsider the nature and significance of the postmodern moment as historical phase and as theoretical field The authors look back on their own contributions to the postmodernism debate of the 1980s and 1990s and address the ways in which the contemporary world and their own concerns have developed and the continuing validity or otherwise of postmodern as a master designator of the contemporary Following a substantial introductory survey the 15 compact articles include contributions from Linda Hutcheon Robert Venturi Zygmunt Bauman Douglas Kellner Arthur and Marilouise Kroker Lawrence Grossberg Gianni Vattimo and Ernesto Laclau The collection provides an important testimonial source for researchers interested in contemporary theoretical developments whether in the arts and humanities or the social sciences It will be a useful text for teachers leading classes

with a focus on postwar intellectual history and cultural theory      **The Eastern Wonderland** D. C. Angus, 1882

**Historic Maritime Maps 120 illustrations** Donald Wigal, 2022-12-06 In the Middle Ages navigation relied upon a delicate balance between art and science Whilst respecting the customs and the precautions of their forbearers sailors had to count on their knowledge of the stars the winds the currents and even of migratory flights They also used hand painted maps which although certainly summary were marvellously well drawn In following the saga of old sailors from Eric Le Rouge to Robert Peary Donald Wigal leads us in discovering the New World This magnificent overview of maps dating from the 10th to the 18th centuries often primitive and sometimes difficult to understand retraces the progress of cartography and shows the incredible courage of men who endeavoured to conquer the seas with tools whose geographical accuracy often left much to be desired      *Nature* Sir Norman Lockyer, 1878
