Modern Mystics:

Modern Mystics Bernard McGinn, 2023-02-27 Mysticism is not just a phenomenon of the past but has been alive and flourishing in Christianity Judaism and Islam over the past century as well as in many of the other religious traditions Best understood as a search for the transforming presence of God the mystical tradition has necessarily undergone changes and developments as it has confronted modernity and its frequently anti religious stance Making use of ten exemplary mystics of the 20th century including Catholic Protestants and Jews this book argues for the continued importance of mysticism in the modern world and studies its ongoing transformations *Modern Mystics and Modern Magic* Arthur Lillie, 1894 Mystical Journey: A Handbook for Modern Mystics Peter Mulraney, 2019-05-24 Modern tools for modern mystics Modern mystics don't get to hide away in monasteries and ashrams or a cave in the mountains like the holy men and women of the past In these secular times modern mystics are ordinary people called to the mystical journey in the everyday world Perhaps you've heard the call to the mystical journey but you're not quite sure what to do next Maybe you're wondering what this mystical journey stuff is all about You're in the right place In this handbook for modern mystics by Peter Mulraney author of *My Life is My Responsibility* you'll find a clear description of the mystical journey inspiring insights and a helpful set of tools for navigating your way This is a handbook for those ready to start the mystical journey and for those who have set out on their own

God Is My Adventure - A Book on Modern Mystics, Masters, and Teachers Rom Landau, 2011-03-23 Since I was a boy I have always been attracted by those regions of truth that the official religions and sciences are shy of exploring The men who claim to have penetrated them have always had for me the same fascination that famous artists explorers or statesmen have for others and such men are the subject of this book Some of them come from the East some from Europe and America some give us a glimpse of truth by the mere flicker of an eyelid while others speak of heaven and hell with the precision of mathematicians I have met them all and some I have watched in their daily lives For years now I have sought their company questioned them and watched them closely at work I have tried to dissociate the personality from the teaching and then to reconcile the two I have included some of those whom now I cannot view without mistrust Since thousands of other people believe in them they are at any rate most interesting figures in contemporary spiritual life however little of ultimate value their teaching may possess There are people who know the heroes of this book more intimately than I but my aim has never been to identify myself with any one teacher On the contrary I have always been anxious to discover for myself through what powers they have influenced so many people This attitude will warn the reader not to expect an impersonal survey of contemporary spiritual doctrines I have limited myself to writing of those men with whom I have been in personal contact I approach them not as the scholar but as the ordinary man who tries to find God in daily life **Modern Mystics and Modern Magic** Arthur Lillie, 1894 Modern Mystics Sir Francis Edward Younghusband, 1935 **Modern Mystics** Francis Edward Younghusband, 1970-06-01 **Eleven Modern Mystics and the Secrets of a Happy, Holy Life** Victor M.

J. T Talar,2009-10-05 Explores the deep interest in spirituality and mysticism among Catholic Modernists *The Modern Mystic* ,2015-10-23 The Christian mystics were seekers of God s wisdom and presence They sought out as described by the Celtic Christian tradition those places worn thin where earth and heaven lose their distinctions They serve as guides to those thin places for the modern day spiritual seeker The goal of this book is not to update the tradition but to locate the ancient wisdom and spiritual insights in a modern context In this book the two thousand year long tradition of spiritual seekers the Christian mystics will be explored for the purposes of mining their insights and wisdom for today s seeker Their wisdom has been passed to us through what is called the Contemplative or Mystical path It is a tapestry threaded with ecstatic visions of divine love personal revelation and a deep sense of God s direct presence This book will introduce you to the history major themes characters and practices of the Christian mystics The mystics will serve as your spiritual guides to the love of God The purpose of this book is not to update the ancient Contemplative wisdom and practices of the Christian mystics Instead the intent is to understand their wisdom in the hope of articulating it in such a way that spiritual seekers from a modern context can understand and apply what is gained for the benefit of their spiritual life *Mystics* Murray Bodo,2019-10-07 Christianity is a mysterious faith Some of these mysteries can be described with Scripture or doctrine but others can only be experienced Those graced with these experiences these intimate glimpses of God are called mystics

Murray Bodo's sensitive guidance leads us into the heart of what these mystics have expressed about God and how their insight can deepen our own experience of the boundless mystery of a loving God. This updated and expanded edition includes new chapters on St Clare and St Bonaventure.

Mysticism and Morality Richard H. Jones, 2004-01-01 In *Mysticism and Morality* author Richard Jones explores an often neglected question of religious ethics. Is mysticism moral? Through a discussion of several religious traditions including Hinduism, Jainism, Buddhism, Tantrism, Daoism, and Christianity, Jones fills a major void in the scholarly literature by considering all relevant points pertaining to mysticism. Rather than looking at mysticism abstractly, the book focuses on such topics as ritual practice and the processes of mystical becoming. This work provides new perspectives for those interested in ethics and will prove essential to anyone interested in comparative philosophy and cross-cultural studies of religion.

Christian Mystics Ursula King, 2001 Ursula King's *Christian Mystics* offers a distinctive perspective on spirituality. The author presents the Christian mystical tradition through short biographies of its great figures, biographies which are highly readable without oversimplifying the ideas of these great figures. This is an outstanding entryway into the rich and deep world of Christian mysticism, recommended for readers of all backgrounds.

Michael Sells, Professor of Comparative Religions, Haverford College.

Weird Mysticism Brad Baumgartner, 2020-11-17 *Weird Mysticism* identifies and evaluates a new category of theoretical inquiry by showing the influence of speculative writing on three intersecting critical categories: horror fiction, apophatic mysticism, and philosophical pessimism. Exploring the work of Thomas Ligotti, Georges Bataille, and E. M. Cioran, Brad Baumgartner

argues that these weird mystics employ an innovative mode of negative writing that seeks to merge new conceptions of reality While exploring perennial questions about the absolute the Outside and other philosophical concepts these authors push the limits of representation experimenting with literary form genre bending and aphoristic discourse As their works reveal the category of weird mysticism both conjoins and obscures the link between traditional mysticism and philosophical horror fiction with weirdness itself being the central magnet that draws the seemingly disparate realms of horror fiction philosophy and mysticism together Highlighting the theoretical stakes of the horror genre Baumgartner s study reveals how the mystical potentially recuperates the limits of philosophical thinking enabling reflection on and possibly challenging the limits of human understanding

Tending the Garden Jennifer Hornyak Wojciechowski,2025-02-11 Mysticism in an ancient and important aspect of the Christian faith yet it is highly misunderstood Due to obscure language and concepts not to mention occasionally eccentric personalities the mystics can be difficult to approach Once you peel back the layers of insider language however one begins to see a highly relatable group of people who were first and foremost concerned with tending to a personal and loving relationship with God Tending the Garden provides the reader with a basic definition of and clarity around several terms and practices of Christian mysticism as well as analyzing the lives and writings of important Christian mystics Jennifer Wojciechowski proposes some ways in which we as modern people living in an industrialized and disenchanted society can benefit from knowing Christian mystical history and engaging in spiritual practices related to Christian mysticism The book s aim is to demystify the mystics by making them understandable and relatable to modern believers In this era of disenchantment and religious decline Tending the Garden will introduce Christians to a rich and vibrant history of mystical prayer and relationship with God in order to spark curiosity and inspire a deeper spiritual life The book will serve as an accessible introduction to and thematic historical overview of Christian mysticism
