**The Works of John Wesley, Volume 1** Wesley, John,2015-09-03 The works of John Wesley have been treasured for many years and we are pleased to offer this 141 sermon set in three volumes These sermons constitute the essential points of his beliefs Many were published by Wesley himself while others were recovered from his manuscripts after his death While reading these you will find that his writings are never dry but maintain a vigor of life about them while maintaining a scriptural balance He strived to reach the everyday man and bring him a living gospel and this intent is spread throughout his sermons While Wesley had originally intended to publish a three volume series he went on to add a fourth He desired to reach a larger audience with these printed works than he could with his daily sermons in person and there was also a particular demand for them The four books are comprised of approximately 44 sermons and are contained in volume I of this printing In 1746 he had published the first book of this projected work entitled Sermons on Several Occasions He later went on to add another nine sermons to the series The subsequent books were released in 1748 1750 and 1760 respectively It is important to note that these are by no means the whole of Wesley s written sermons they were merely selected by him for the Christian reader as a kind of standard for his belief of many of the principal points of Christian doctrine and have since become known as the standard sermons In his preface to volume I Wesley himself wrote I have accordingly set down in the following sermons what I find in the Bible concerning the way to heaven with a view to distinguish this way of God from all those which are the inventions of men I have endeavored to describe the true the scriptural experimental religion so as to omit nothing which is a real part thereof and to add nothing thereto which is not Sermons on Several Occasions Volume I Preface For fifty years Wesley had also written numerous sermons and published them in local magazines many of which were printed in cities across England

such as London Bristol Dublin and Newcastle upon Tyne With these sermons being placed in the hands of so many printers it was inevitable that they would be printed in a combined publication which was often the case Because of this in his advancing age Wesley decided that he should undertake a reprinting of all of his works enabling him to revise all of his works carefully and also to correct any errors that had arisen In his collected works he elected to print his sermons commentaries notes journals and more producing an impressive thirty two duodecimo volumes the first being published in 1771 and the last in 1774 In the set of sermons that comprised those of the model deed included nine additional lectures that were not previously published bringing the total to 53 These 53 lectures have are in the first volume of this series     **The Collected Works of Spinoza, Volume 1** Benedictus de Spinoza,1985-09-21 The Collected Works of Spinoza provides for the first time in English a truly satisfactory edition of all of Spinoza s writings with accurate and readable translations based on the best critical editions of the original language texts done by a scholar who has published extensively on the philosopher s work The elaborate editorial apparatus including prefaces notes glossary and indexes assists the reader in understanding one of the world s most fascinating but also most difficult philosophers Of particular interest is the glossary index which provides extensive commentary on Spinoza s technical vocabulary A milestone of scholarship more than forty five years in the making The Collected Works of Spinoza is an essential edition for anyone with a serious interest in Spinoza or the history of philosophy Inside jacket flap     *Selected Works of Eliza Haywood, Part II Vol 1* Alex Pettit,2024-08-01 This text reprints selected non fictional works by Haywood with particular attention to the journalism criticism and conduct and advice material Here Haywood explicates and defends ideas on gender and culture that she develops obliquely elsewhere     The Selected Works of Delarivier Manley Vol 1 Ruth Herman,Rachel Carnell,W R Owens,2024-08-01 A modern critical edition of the works of Delarivier Manley providing complete texts of all her works reset and with annotations It includes findings on Manley s work as a political propagandist and scholarship on her part in the history of the novel     **The Prehistoric Masters of Literature Volume 1** Elise Wallace,2018-01-01 Famous literary figures are given dinosaur inspired pseudonyms and prehistoric biographies as a way of introducing young readers to classic literature in a fun and inviting new way in Jurassic Classics The Prehistoric Masters of Literature Volume 1 The book features an assortment of author biographies each with a prehistoric twist William Shakespeareasaurus Emily Brontesaurus and Edgar Allen Terrordactyl get dino histories with a clever parody of one of their classic works included Accurate biographies of the real life authors are included as well Endearing illustrations and humorous dinosaur mashups provide young readers with a foundation for art history as well as inspiring them to learn more     **Baxter's Practical Works, Volume 1** ,2007-12 The editor s preface 1707 p xiii stated that the works of Richard Baxter are perhaps the best body of practical divinity that is extant in our own or any other tongue Richard Baxter lived from 1615 1691 The DIRECTORY was completed in 1665 Its scope was intended to cover all of practical theology a summa of casuistry Timothy Keller calls it the greatest manual on Biblical counseling ever produced     The Prose
