## **Nelson English Student Bk 1:**

*Nelson English International Student Book 1* John Jackman, Wendy Wren, 1996 Nelson English International teaches the skills and craft of quality writing catering for the 6-12 year age range and provides a six year programme of study. It is easily managed in the classroom with three components at each level: a student textbook, a student workbook and a teacher resource book. The student textbook gives a thorough coverage of the key skills of grammar, spelling, punctuation, comprehension and vocabulary building. The units are designed to build pupils' knowledge of these language skills and apply them in their written tasks with the aim of writing effectively for a wide range of purposes. Planning, drafting, revising and editing copy are all covered in developing these writing skills. Students are also taught to understand the characteristics of different styles and forms of writing.

**Nelson English - Book 1 Teacher's Guide** John Jackman, Wendy Wren, 2000 Each pair of units is supported by the Teachers Guide. The Teachers Guide fully supports the programme giving all the guidance you need to help your pupils work through the two pupil books. In the Teachers Guide there are suggestions for homework and independent study.

*Nelson English - Book 1 Developing Fiction Skills* John Jackman, Wendy Wren, 2000 The Developing Fiction Skills and Developing Non Fiction Skills pupil books explore a wide range of texts using parallel themes. Each book contains twelve units offering four units per term. The parallel themes common to both the Fiction and Non Fiction strands allow for comparison and exploration of the same theme in different text types and effectively integrates the teaching of non fiction.

**Nelson English Student Book** John Jackman, Wendy Wren, 1994-09-07 This is part of a six level English course foundation level to level five for pupils between five and 12 years old. The course employs a twin track structure that enables teachers to underpin students' language development with a rigorous skills programme. There are two pupils' books at each level: a skills book covering comprehension with emphasis on literal grammar, punctuation, vocabulary and spelling and a development book covering comprehension with emphasis on inferential, the craft of quality writing, forms of writing, styles of writing and composition skills. Each level also has a teacher's resource book which supports both tracks, includes photocopiable activity sheets and correlations for all UK curricula, suggests strategies for developing listening and speaking skills and helps support record keeping and assessment.

**Nelson English International Workbook 1 (X10)** Wendy Wren, John Jackman, 2002-06-13 Nelson English International offers a Student Workbook at each of the six levels. This enables pupils to work at home or in the classroom on language exercises that will test and reinforce their understanding of the core material already covered in the Student Textbook.
