## Poems By Father And Son:

*Father and Son Poems* Gerald Peckham, Ryan Peckham, 2008-10-23 Inspirational Poems written by Father and his Son  
*Dad and Me* Brad Drummer, Jim Drummer, 2002-05 excerpted from the Intro my mother revealed to me that my father also wrote poetry I was stunned The man was John Wayne to me It is a bit jarring to one's equilibrium to picture John Wayne getting off his horse and reciting Byron I asked my mother to dig up all of the poems she could find one was written in a Valentine's Day card from 1950 The most wonderful thing started happening as I read my dad's poetry I began seeing my father as a man not just as my dad And as I compared our poetry I found myself comparing experiences and perspectives and philosophies and joys and pains and laughter In my eyes we became more than just father and son Looking at my father I saw a man who had been a mischievous boy like me at one time a guy who has wrestled with many of the same issues as I have a mortal just trying to do the best with what he's been given We became and remain the closest of friends **Poems** William Cryer, 1919\* **Father and Son** Tony Bethel and Brian Bethel, 2009-02-25 Father and Son a Connection through Poetry is Tony's fourth book of poetry and the first with his son Brian **A Father-And-Son Book of Poetry and Prose** Harry C. James, George A. James, 2017-09-22 In the early part of 2012 my dad and I published A Father and Son Book of Poetry and Prose Now in the late summer of 2017 I am very delighted to share more of what my dad and I have to offer the world through A Father and Son Book of Poetry and Prose Volume II This is especially for my dad who passed away in June of this year I recall some time ago telling him he should make an effort to get his work published This did not seem to be a great concern of his but he always enjoyed writing drawing humorous cartoons painting on occasion and simply sharing his creative side with family and friends I am incredibly grateful to him and I know I speak for my brothers and my mom too So I have made it my concern to publish everything I found and know that he has written through poetry He is the one that instilled in me an interest in writing and poetry that has lasted for many years now and continues to do so This creative side of his opened a dimension of creativity to me not just in writing but in all facets of the world around us He always had an interesting perspective on things that he was not shy about expressing He was a lifelong Democrat for instance At a high school football banquet one of the other dads who was also a Democrat wanted to share a little political banter with my dad The other dad was basically criticizing everything about the current Republican administration He figured my dad would comfortably agree with everything he was saying No way Although a fellow Democrat my dad challenged him on every point He would do this with regularity He would hear one perspective but was very good at understanding and expressing why the other guy might feel differently Another little story I recall goes back a little further to my grade school days My mom myself and brothers had just gotten in the door from church Dad had stayed behind to do a little painting around the house I began sharing how excited I was that my mom had gotten me a new book He chimed in almost immediately reminding me how thankful I should be because some kids were not able to receive little gifts from their parents on a consistent basis or at all

because they did not have the means This stopped me in my thoughts humbled me and made me think more deeply about life even though I was a young little whippersnapper I wish with all my heart I could share this second volume with him and squeeze him with all my might He is no longer here but a part of him lives on through my mom and brothers I wish you could have met him too but through his poetry I am so glad you can get to know a piece of him as well My earthly father is gone now but as I observe more closely how my heavenly Father allows for the seasons of life to continue and all the legacy and lessons that pertain to this I am truly a blessed and thankful man Father and Son Tony Bethel, Brian Bethel, 2009-02

R. Higgins, 2014-05-15 This volume collects the best of Higgins' output from his 4 poetry collections and the literary magazines in which his poems appeared *Alchemy and Exemplary Poetry in Middle English Literature* Curtis Runstedler, 2023-03-27 This book explores the different functions and metaphorical concepts of alchemy in fourteenth and fifteenth century Middle English poetry and bridges them together with

the exempla tradition in late medieval English literature Such poetic narratives function as exemplary models which directly address the ambiguity of medieval English alchemical practice This book examines the foundation of this relationship between alchemical narrative and exemplum in the poetry of Gower and Chaucer in the fourteenth century before exploring its diffusion in lesser known anonymous poems and recipes in the fifteenth century namely alchemical dialogues between Morienus and Merlin Albertus Magnus and the Queen of Elves and an alchemical version of John Lydgate s poem The Churl and the Bird It investigates how this exemplarity can be read as inherent to understanding poetic narratives containing alchemy as well as enabling the reader to reassess the understanding and expectations of science and narrative within medieval English poetry     George Scarbrough, Appalachian Poet Randy Mackin,2011-09-29 A writer s writer East Tennessee poet and novelist George Scarbrough enjoyed a career that spanned eight decades and included numerous awards This biography makes use of Scarbrough s personal journals to tie his literature to his life and presents previously unpublished poetry letters and prose pieces Somewhat overlooked during his lifetime he is as this book demonstrates among the best poets of the 20th century     **Male Poets and the Agon of the Mother** Hannah Baker Saltmarsh,2019-04-23 A thoughtful exploration of male poets contributions to the literature of motherhood In the late 1950s the notion of a mother poem emerged during a confessional literary movement that freed poets to use personal psychosexual material about intimate topics such as parents childhood failed marriages children infidelity and mental illness In Male Poets and the Agon of the Mother Hannah Baker Saltmarsh argues that male poets have contributed to what we think of as the literature of motherhood that confessional and postconfessional modes have been formative in the way male poets have grappled with the stories of their mothers and how those stories reflect on the writers and their artistic identities Through careful readings of formative elegies and homages written by male poets of this time Saltmarsh explores how they engaged with femininity and feminine voices in the 1950s and 60s and sheds light on the inheritance of confessional motifs of gender and language as demonstrated by postconfessional writers responding to the rich subject matter of motherhood within the contexts of history myth and literature A foreword is provided by Jo Gill professor of twentieth century and American literature in the Department of English and associate dean for education at the University of Exeter     *The Poetry of Raymond Carver* Dr Sandra Lee Kleppe,2014-04-28 Best known as one of the great short story writers of the twentieth century Raymond Carver also published several volumes of poetry and considered himself as much a poet as a fiction writer Sandra Lee Kleppe focuses particularly on the complex literary and scientific systems that influenced Carver s development as a writer as she makes a case for the quality of Carver s poetic output and the centrality of poetry to Carver s career     *Schiller's Poems and Plays* Friedrich Schiller,1889
