Poetry Plain and Simple Eric Robert Jennette, 2010-03-19 A book of poetry about everything and nothing Feelings bound up and released from events good and bad All from my life and ideas stemming from what we all encounter throughout the years **Plain and Simple Poetry** Sue Crawford, 2020-12-19 A book of simple easy to read poems that were composed in my spare time during Covid lockdown The poems are inspired by my own experiences my surroundings and observations

Some of the poems are sad tales some happy and some a little bit silly I tried to write a poem daily using a prompt from an on line creative group and I found that I enjoyed writing about any given subject without any pressure Sitting down each day for ten minutes was very therapeutic and certainly helped me to relax I hope that this little book will inspire others to sit and write each day Poetry does not have to be profound or deep creativity is I believe in everybody we just need to find our own key to our own unique imagination *Sarah's Poetry Plain and Simple/Poetry about Faith, Family and Life* Sarah
