OF POLITICAL EVIL IN DEMOCRACIES

HAIM GORDON

# Quicksand Israel The Intifada And The Rise Of Political Evil

**Haim Gordon, Rivca Gordon**

## **Quicksand Israel The Intifada And The Rise Of Political Evil:**

*Quicksand* Hayim Gordon, 1995 In this thoroughly researched carefully argued work Haim Gordon explores the existence and employment of what he calls evil as a political tool First he identifies attitudes and deeds that help to sustain a stupid secrecy about evil Second he illustrates how democratic societies Israel among them support and encourage the existence of such practices Finally he suggests ways that individuals and groups can counter this kind of activity Throughout *Quicksand* Gordon demonstrates his own personal commitment his passion for justice and his rage against the increasingly widespread forms of political evil that can be found in most democracies He understands this book to be one means of inspiring enlightening and empowering those who struggle to retain human values and humane sensibilities in our increasingly violent impersonal world

**The Palestine Yearbook of International Law, 1995** Anis F. Kassim, 1997-01-01 A well established yearbook The Palestine Yearbook of International Law is widely respected as a prime source of legal material relating to Palestinian issues It provides an important forum on topical matters relating to Palestine for the international legal community particularly for legal practitioners researchers and scholars In addition to leading articles on current matters of interest it contains key legislation court decisions and other relevant legal material translated from the original Arabic or Hebrew into English This eighth volume of The Palestine Yearbook of International Law contains leading articles on Palestinian self government legal aspects of the Palestinian Israeli peace process and the problems of water management in Palestine the texts of Palestinian Jordanian Israeli and U S legislation and of various Agreements concluded between the Palestinian National Authority and both Jordan or Israel the texts of human rights reports a selection of recent book reviews and a detailed bibliography The level of activity in this field and its importance and complexity make The Palestine Yearbook of International Law an important component in any international law library allowing practitioners and academics to maintain awareness of these critical issues

The Heidegger-Buber Controversy Haim Gordon, 2001-05-30 The I Thou controversy between these two thinkers is a significant but often overlooked issue in philosophy and theology In one of the first books to truly address the subject Haim Gordon explores the arguments of both Martin Heidegger and Martin Buber regarding the The I Thou relationship and its significance for human existence Gordon s work illuminates Heidegger s complex and enlightening ontology one that describes the everyday life of the human in such a way that there is no place for the I Thou relationship Buber on the other hand argues for the significance of the I Thou relationship within human existence and highlights the ways in which Heidegger s philosophy fails to grasp this important point After examining the fundamental ontology of Heidegger set beside the ontological insights of Buber concerning this relationship Gordon concludes that each of these important twentieth century philosophers was guilty of ignoring the contributions made by the other to the study of ontology and being By exploring the complicated dynamic between Heidegger and Buber Gordon presents the reader with valuable insights and a deeper understanding of human existence and relationships The implications of both this controversy

and its resolution are far reaching for many other philosophical disciplines including social and political philosophy metaphysics and ethics

**Activism and Rhetoric** Seth Kahn, JongHwa Lee, 2010-10-18 This volume examines the role of rhetoric in today's culture of democratic activism The volume takes on two of the most significant challenges currently facing contemporary rhetorical studies 1 the contested meanings and practices of democracy and civic engagement in global context and 2 the central role of rhetoric in democratic activist practices In presenting a variety of political and rhetorical struggles in their specific contexts editors Seth Kahn and JongHwa Lee allow contributors to reflect on and elaborate possibilities for both activist approaches to rhetorical studies and rhetorical approaches to activist projects facilitating better understanding the socio political consequences of this work With contributors from widely known scholars in communication and composition studies the collection offers practical cases that highlight how rhetoric mediates constitutes and or intervenes in democratic principles and practices It also considers theoretical questions that acknowledge profound voids in the rhetorical tradition e g Western neo Aristotelian liberal and expand the horizon of traditional rhetorical perspectives It advocates new knowledge and practices that further promote civic engagement social change and democracy in the global context Activism and Rhetoric will be appropriate for scholars and students across disciplines including rhetoric composition communication studies political science cultural studies and women's studies

*Fighting Evil* Haim Gordon, 1997-02-28 What can we learn from the novels of Graham Greene This book argues that Greene's writings have much to teach us about fighting evil here and now and about endeavoring to live a worthy life In novels that span half of the twentieth century Greene related stories of evil persons who destroyed the freedom of others and of a few simple people who fought them Through these stories he showed us three basic truths first evil exists second it is possible to fight it and third one may attain wisdom and sometimes a very limited glory by undertaking such a struggle Gordon's study sets forth its own important lesson thinking and assuming responsibility for the world guided by the reading of great literature are keystones of any worthy life

*Occupied by Memory* John Collins, 2004-12 Occupied by Memory explores the memories of the first Palestinian intifada Based on extensive interviews with members of the intifada generation those who were between 10 and 18 years old when the intifada began in 1987 the book provides a detailed look at the intifada memories of ordinary Palestinians These personal stories are presented as part of a complex and politically charged discursive field through which young Palestinians are invested with meaning by scholars politicians journalists and other observers What emerges from their memories is a sense of a generation caught between a past that is simultaneously traumatic empowering and exciting and a future that is perpetually uncertain In this sense Collins argues that understanding the stories and the struggles of the intifada generation is a key to understanding the ongoing state of emergency for the Palestinian people The book will be of interest not only to scholars of the Middle East but also to those interested in nationalism discourse analysis social movements and oral history

**Israel from the Outside and Inside** Nitza Davidovitch, Eyal Lewin, 2019-03-04 This book explores Israel's relations with

its friends and foes in the present and the past by looking into news media outlets and their effect. There are several international political players involved in Israel's tough neighborhood of the Middle East and some of them are portrayed in this book through the dimension of media coverage. Along with this, the volume highlights some of Israel's leading challenges in the sphere of international relations and public diplomacy. Hence, it integrates research in various topics: international relations, politics, media, and Israel studies. With Israel at its center, the book brings together insights drawn from a wide range of scholarly inquiries into current global issues. Thus, a large scope and a uniquely wide perspective is established, enabling researchers to rely on this work. The book is bound to be of interest to specialists and to both advanced and undergraduate students in the field of Israel studies, Middle Eastern studies, scholars of international relations, and researchers of specific countries. However, though academic in nature, this book is also suitable for readers of popular social science who are interested in media and communication in Israel or in the fascinating sociological forces that influence the regional geopolitics of the Middle East.

*Jewish Serials of the World* Robert Singerman, 2000-11-30 Jewish journalism history is a growing field of active research, as evidenced by the growing number of new serials devoted to it. Given the geographic extent of the Jewish diaspora, the Jewish press offers valuable primary source materials for any historical study of the Jewish people. The social and intellectual history of the Jews in modern times can similarly be advanced by an examination of the Jewish press of the world. This volume, the first supplement to *Jewish Serials of the World: A Research Bibliography*, continues and extends the bibliographic coverage to include 3,000 new entries. The new volume's classified arrangement, enhanced by author and subject indexes, provides up-to-date coverage of all pertinent research, including theses and dissertations on Jewish press and journalism history throughout the world in all languages. This new bibliography is indispensable for libraries supporting academic programs in Jewish Studies and journalism, as well as area studies. Singerman's coverage of the studies and research about the Jewish press is broadly defined; his scope is worldwide, and all pertinent languages are treated. The 3,000 entries are verified and bibliographically complete, and special efforts have been made to analyze hidden sections on the Jewish press buried within larger, more expansive studies of related topics. The entries are organized into regional subcategories. Together with the foundation volume, over 6,000 entries are provided, making this an important addition to any libraries with Jewish Studies or journalism collections.

*Fatal Future?* Richard M. Pearlstein, 2009-06-03 The nature and goals of terrorist organizations have changed profoundly since the Cold War standoff among the U.S., Soviet, and Chinese superpowers gave way to the current polyplex global system in which the old rules of international engagement have been shattered by a new struggle for power among established states, non-state actors, and emerging nations. In this confusing state of global disorder, terrorist organizations that are privately funded and highly flexible have become capable of carrying out incredibly destructive attacks anywhere in the world in support of a wide array of political, religious, and ethnic causes. This groundbreaking book examines the evolution of terrorism in the context of the new global disorder. Richard M. Pearlstein

categorizes three generations of terrorist organizations and shows how each arose in response to the global conditions of its time Focusing extensively on today s transnational i e privately funded and internationally operating terrorist organizations he devotes thorough attention to the two most virulent types ethnoterrorism and radical Islamic terrorism He also discusses the terrorist race for weapons of mass destruction and the types of attacks including cyberterrorism that are likely to occur in coming years Pearlstein concludes with a thought provoking assessment of the many efforts to combat transnational terrorism in the post September 11 period      **The Middle East and South Asia 2020-2022** Elisabeth

Yarbakhsh,2021-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world s population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments      *Sophistry and Twentieth-Century Art* Haim Gordon,Rivca Gordon,2021-12-06 This book deals with a rejection of the widespread fakes that have emerged in twentieth century art which we call by their Platonic name sophistry The book also presents brief descriptions of some of the ideas of Martin Heidegger and Nicolas Berdyaev as to what constitutes a beautiful work of art and how an authentic relation to the beauty in a work of art enhances human existence

*The Riddle of Human Rights* Gary Teeple,2005-01-01 Gary Teeple makes the case that human rights are peculiar to an historically given mode of production      **Revolutionary Hope** Shane Wahl,Nathan J. Jun,2013-03-22 Over the course of the last four decades William Leon McBride has distinguished himself as a teacher mentor and scholar without peer The author of seven books and more than two hundred book chapters articles and reviews he is a world renowned expert on the philosophy of Jean Paul Sartre and a leader in the international community of philosophers This volume which celebrates the occasion of his seventy fifth birthday includes contributions from colleagues friends and former students Together they pay tribute to the intellectual philosophical and professional achievements of one of the most esteemed and accomplished scholars of his generation      *Politics and Education* Haim Gordon, This book suggests that the link between politics and education as described in ancient Greece can bring forth a search for excellence Today there exist great possibilities to courageously struggle for excellence Yet these possibilities are often discarded by educators and politicians and strangled by

the prevailing corporate capitalist regime      Dwelling Poetically Haim Gordon,2021-10-01 This book philosophically discusses the educational challenges of dwelling poetically which according to Martin Heidegger means learning from great poems how to live a worthy life and relate authentically to beings and to Being The gifts of great poetry are carefully described and concrete approaches are presented that the educator can adopt      **The Middle East and South Asia 2023-2024** Ilan Pappé,2023-09-15 The World Today Series The Middle East and South Asia More than a quarter of the world's population live in the Middle East and South Asia yet our knowledge and understanding of the region is often limited to news updates about the latest conflicts and crises This edition of the annually updated volume of the World Today Series provides important insights that take the reader beyond the headlines It offers detailed and up to date information about the politics economies and societies of the twenty four states that make up the region Contemporary events are placed in their historical context through an examination of major civilizations and key historical events This volume introduces major themes that have shaped the region including the struggles of ordinary people to achieve democratic rights the role of oil in shaping society burgeoning environmental threats and the rise and fall of the Islamic State caliphate While there is reason for optimism in regards to the Middle East and South Asia this is tempered by the very real challenges that confront the region The general reader will gain an understanding of these challenges and opportunities through an exploration of current and past developments      **The Palestine Yearbook of International Law** ,1994      74      2015 2015 2012 2011 01-01-2016,      BDS 48      **Looking Back at the June 1967 War** Haim Gordon,1999-07-30 This collection of essays by Israeli Palestinian and American scholars and activists examines the impact of the June 1967 War on Palestinians and Israelis alike in the thirty years following the war Israel became an occupying power in 1967 ruling more than one million Palestinians in territories it had captured Using military strength with the tacit agreement and support of the United States and other Western democracies Israel exploited and oppressed the Palestinians brutally suppressing their civil human and political rights This book evaluates and examines the injustices done to the Palestinians during this period In this first attempt to look back at those thirty years and assess what has happened to Israeli and Palestinian society the contributing scholars provide a critique of the prevailing Realpolitik in the Middle East and indeed the world today Bound to be controversial the collection will be of great interest to scholars and policy makers as well as concerned citizens interested in the contemporary Middle East      *Journal of Palestine Studies* ,1997
