Te quiero mucho, poquito, nada Félix Ángel, 2024-10-17. Las anotaciones que dibujan la memoria de la primera y hasta ahora única impresión y publicación de la novela *Te Quiero Mucho Poquito Nada* en 1975 no solamente corresponden al cúmulo de datos históricos sino a una cuestión literaria y crítica para las formas editoriales de hoy cincuenta años después. Una novela hecha completamente por su autor pagada con sus propios recursos y distribuida por él mismo en las tres librerías más conocidas de la ciudad de ese momento un artista escritor explorando la imagen de lo masculino y de lo homocéfalo en una década convulsa para Medellín llena de migraciones urbanas y de búsquedas revolucionarias una obra estigmatizada rpidamente que sin embargo logró trascender como una de las primeras en abordar literariamente lo homosexual en Colombia. Muchas aristas que confirman que esta reedición de *Te Quiero Mucho Poquito Nada* no es una recuperación patrimonial ni una reivindicación estética es la oportunidad de volver a leerla como si fuera publicada por primera vez. **El Pocero de Seseña** Ruth Ugalde, 2007-11-07. **El Papa Francisco en Brasil** Papa Francisco, Intervenciones del Papa Francisco en su viaje Apostólico a Río de Janeiro Brasil con ocasión de la XXVIII Jornada Mundial de la Juventud 22-28 julio 2013. **Busquen las cosas de arriba** P. Léo, Es necesario tener una meta y nuestra meta es muy grande. Quien se acostumbra con pequeñas cosas no va al cielo. El cielo es para quien sueña en grande piensa en grande y tiene la valentía de vivir en pequeño. Eso es el cielo. Encontrar una meta y mantenerle el paso firme dirigido hacia las cosas que están allí arriba es el trabajo de aquellos que saben superar los desafíos y que no se dejan abatir por las dificultades. Para los que no quieren detenerse ni desanimarse ante los problemas esa es la enseñanza del P L o es necesario proseguir. En *Busquen las cosas de arriba* el autor nos revela la importancia de encontrar el sentido de nuestra existencia y de continuar el camino incluso en medio del dolor. Es allí arriba que está nuestra alma y es por ella que debemos luchar. *Era altamente improbable que yo escribiera un libro* Juan Manuel Conti, 2025-03-03. Los sucesos y personajes retratados en este libro son completamente ficticios. Es importante que entienda que si usted piensa que usted pensó algo antes que yo de lo que fue pensado en este libro resulta de total y absoluta irrelevancia para usted para mí y para el resto de los lectores. Es importante que usted entienda que la próxima vez que le pase de nuevo escriba. Se lo recomiendo. De igual manera no resulta menor advertir que si usted se siente identificado con algún personaje con alguna situación con algún suceso expuesto en este libro ni yo ni el editor nos vamos a hacer responsables de que usted se sienta el ombligo del mundo. Para estos casos estamos recomendando psicoanálisis. **Palabras que juegan: poemas, adivinanzas y trabalenguas para divertirse con los niños** Claudio Medina, 2024-10-01.
