ABDULRAHEM SALMAN HAMDAN ALMALKI, Nursing is not just a profession its a calling and that calling is made of threads of compassion care and courage Compassion Care and Courage A Nurse s Journey is a document of individual experience and a testament from the rest of us to those who roam hospital and home hallways professing our profession with confident hands tender hearts and unwavering nerves From the prenatal beginning sparks of excitement in childhood to silent will ushering genius called for in the most critical moments the nursing career is paved in profound experience some bright and shining others painful but all fundamentally human We encounter others at some of the most vulnerable points in their lives as nurses We hear their fears their hopes and sometimes their last words This privilege is sacred Within these pages are tales woven from sweat and sacrifice chapters buoyed by clinical expertise and moments developed out of compassion and perseverance In this episode we look at the history of the profession from the wards lit by the lantern of Florence Nightingale to the telehealth platforms of the 21st century We salute nursing educators researchers frontline responders and the many who are characteristically practicing change agents in boardrooms and policy circles The many chapters in here contribute to different aspects of nursing life be it the ethical dilemmas burnout leading through a crisis or in finding joy through patients and reflection What I d really like to accomplish is not just documenting the journey of one nurse but a message that all nurses out there for what we are and why it goes beyond you or me I invite the different readers nurses students patients and those who just have to be curious to walk this pathway with me I hope you walk away with a greater respect for the quiet strength of nurses the emotional labor that they carry and the bravery of caring deeply in a world that often hurries Let this book be a mirror and a map a mirror for reflection on where we have been and a map for where the heart of nursing needs to go Nurse Manager Engagement Barbara Mackoff,2011 Nurse Manager Engagement Strategies for Excellence and Commitment is based on the
