Quiet Street:

Quiet Street Zelda Popkin, 2002-01-01 *Quiet Street* is the story of Edith and Jacob Hirsch and their two children Dinah and Teddy who live in a suburb of Jerusalem among neighbors they have known for many years Edith's protected life comes to an end when she must face the bitter fact that her beautiful daughter at eighteen is more a soldier than a farmer and that the kibbutz where Dinah now lives is a military fortress despite its newly planted orchards The heroic sacrifices the well meaning mistakes and the suspicions of a people living through the grueling 1948 siege of Jerusalem weave together into a dramatic portrayal of ordinary people in times of deep unrest Originally published in 1951 *Quiet Street* was one of the first American novels published about the Israeli war for independence Told from the mother's perspective *Quiet Street* shows the devotion and wrenching cost required to make an ancient dream of a new state into a modern reality , **Brooklynese** David Alexander, 2018-01-03 From the mean streets of New York City's prime mafia borough comes a chase after savvy and streetwise bank robbers and jewel thieves that crosses international boundaries and time zones with the speed of a rocket When a billion dollar diamond deal cut by one of New York's heaviest crime families goes sour and the consignment of rare gems is lost overseas a crew of wise guys straight out of Brooklyn is ordered to get it back any way they can David Alexander weaves everything together with the skill of a true master of the action thriller category in an unforgettable extravaganza of capers mayhem hot gems hot dames and accomplished criminals who will stop at nothing to gain possession of a treasure whose value is almost beyond calculation *Brooklynese* is an international caper novel to end all caper novels a nonstop page turner jam packed with action from start to finish and one of Alexander's boldest books ever *Brooklynese* is an accomplishment by an author whose narrative skills are clearly at their peak and can sustain an ambitious plot like the daring young man on the trapeze who flies through the air with the greatest of ease *Desert Sun* If every crook could pull off a caper with the ease and skill Alexander ably demonstrates in *Brooklynese* we'd all be broke *Globe Literary Supplement* From the mean streets of New York City's toughest borough comes a chase after savvy and streetwise bank robbers and jewel thieves crossing international boundaries and time zones with the speed of a rocket plane Alexander weaves everything together with the skill of a true master of the action thriller category in an unforgettable extravaganza of capers mayhem hot gems hot dames and accomplished criminals who will stop at nothing to gain possession of a treasure whose value is beyond calculation As crime thrillers go *Brooklynese* is the boss of bosses *Brookline Beacon* **Zelda Popkin** Jeremy D. Popkin, 2023-02-01 Zelda Popkin's adventurous life could have made her the protagonist of one of her own novels In his brilliant telling of the story of her life her historian grandson Jeremy D Popkin has made a singular contribution to the history of American Jewish women in the twentieth century From the 1920s when she worked in the highly competitive and male dominated public relations business to her rise as a million selling author of popular fiction beginning in the 1940s including some of the earliest fiction on the Holocaust and the state of Israel Zelda's life and work documented the rise of American

Jewish women Popkin uses Zelda's experience to bring to life a larger story of American Jews and American women in the twentieth century with the vividness that comes from having a lively character at its center. At the same time this will also be a story about a woman whose powerful personality profoundly influenced several generations of a family. Popkin makes the case that even if she sometimes burnished her stories to create what he calls legends of Zelda, she was one of the most articulate female members of the generation of Jews who fought their way into the American middle class during the decades of the 1920s and 1930s. Zelda's life is a rich source of evidence about the experience of American Jewish women and offers perspectives that are frequently at odds with analyses based on men's lives. The story of Zelda, her generation and its rich and significant legacy will create a compelling portrait and detailed tapestry of an iconic woman and her time. **ENGLISH**
