

A serene sunset scene over a calm body of water. The sky is filled with soft, orange and yellow clouds, reflecting on the water's surface. A small, empty wooden boat is pulled up onto a rocky shore in the foreground. The overall mood is peaceful and contemplative.

Quiet the mind and
the soul will speak.

How did this book come about When I could no longer hear my truth and I was stuck in my past my pain and my perspective something had to be done I decided as a wife mom and business woman to take 8 10 hours each Monday and just get silent for a year I would pray meditate and read books that inspired my soul in silence no communication to world It was one of the hardest things I have ever done I am so grateful my family friends and clients honored this decision In this book you will find meditations reflections affirmations and life lessons I learned and had to unlearn to hear the voice of God and my truth again This practice unblocked so much inside and changed my life in ways I could not imagine Things that I had been praying about and desiring start flooding into my life and I found me again It was not easy to face some hard things about myself but it was worth it and it has changed the lives of those around me as well Sometimes we have to unplugged to really connect
