National Geographic Treasures, [Much More Social Studies Through Children's Literature](#) Anthony D. Fredericks, 2007-04-30 Fredericks presents hundreds of hands on minds on projects that actively engage students in positive learning experiences Each of the units offers book summaries social studies topic areas critical thinking questions classroom resources and lots of easy to do activities for every grade level The author also provides practical guidelines for collaborative ventures with school librarians tips for integrating literature across the curriculum lists of relevant web sites useful in social studies curriculum Everything is linked to the social studies standards **Delaware** Michael Schuman, Marlee Richards, 2009 Celebrate the richness and diversity of the United States of America in this exciting series by exploring the unique character of each state **Georgia Quilts** Anita Zaleski Weinraub, 2006 Showcases a number of themes through which the common story of Georgia its people and its quilting legacy can be told in a comprehensive record of the diversity of quilting materials methods and patterns used in the state Simultaneous **Quilt of States** Adrienne Yorinks, 2005 Quilt maps of all 50 states of the United States of America are placed in order of statehood Includes State Facts Contributors A Note from the Author Illustrator and Index **Tennessee Delta Quiltmaking** Teri Klassen, 2024-01-12 Tennessee Delta Quiltmaking is an excellent study of quilting in rural West Tennessee Both black and white quilters inhabit the small farm region and their quilting traditions are largely shared across racial lines A study that highlights shared culture rather than seeking to distinguish racial or ethnic contributions is a welcome direction in cultural research Alan Jabbour former director of the American Folklore Society Library of Congress Prior to the 1960s quiltmaking thrived in the Tennessee Delta as a crucial source of warm bedcovers among cash poor yet self sufficient farm households As agriculture mechanized rural workers switched to factory jobs and could afford nicer houses and blankets Quiltmaking survived because women both black and white reinvented it as a hobby that met personal and social needs Though scholars have studied quilt styles with rural southern roots few have considered black and white quiltmakers together or as part of a shared regional culture In Tennessee Delta Quiltmaking Teri Klassen traces how mid twentieth century common quilts developed from nineteenth century styles Through interviews with people from rural households Klassen uncovers the ways in which designs and labor were shared and the ways in which quiltmaking was part of the small farm culture that was common to blacks and whites While quiltmaking was a creative form passed down in families limited means and accessible materials made it both a necessity and a highly evolved custom in southwestern Tennessee s upper Delta region For families in this region the quilt symbolized homemaker competence and self reliance a trait especially valued by sharecroppers and tenant farmers who owned no land The culture of quiltmaking reflected living conditions and values of these folk and Klassen details numerous changes in this culture from how it contributed to small farm stability to how industrialization affected the practice By considering quiltmaking s practical aesthetic and social aspects in a historical mixed race context Tennessee Delta

Quiltmaking makes a unique contribution to the study of the Tennessee Delta and the understanding of common quilt design

[Social Studies & the Young Learner](#), 2005 [The SAGE Encyclopedia of African Cultural Heritage in North America](#) Mwalimu J. Shujaa, Kenya J. Shujaa, 2015-07-13 The Encyclopedia of African Cultural Heritage in North America provides an accessible ready reference on the retention and continuity of African culture within the United States Our conceptual framework holds first that culture is a form of self knowledge and knowledge about self in the world as transmitted from one person to another Second that African people continuously create their own cultural history as they move through time and space Third that African descended people living outside of Africa are also contributors to and participate in the creation of African cultural history Entries focus on illuminating Africanisms cultural retentions traceable to an African origin and cultural continuities ongoing practices and processes through which African culture continues to be created and formed Thus the focus is more culturally specific and less concerned with the broader transatlantic demographic political and geographic issues that are the focus of similar recent reference works We also focus less on biographies of individuals and political and economic ties and more on

processes and manifestations of African cultural heritage and continuity FEATURES A two volume A to Z work available in a choice of print or electronic formats 350 signed entries each concluding with Cross references and Further Readings 150 figures and photos Front matter consisting of an Introduction and a Reader s Guide organizing entries thematically to more easily guide users to related entries Signed articles concluding with cross references

Health Care in Rural America Patricia La Caille John,1994 **Religions in Asian America** Pyong Gap Min,Jung Ha Kim,2001-12-18 The flux of Asian immigration over the last 35 years has deeply altered the United States religious landscape But neither social scientists nor religious scholars have fully appreciated the impact of these growing communities And Asian immigrant religious communities are significant to the study of American religion not only because there are more than ten million Asian Americans Asian American religions differ substantially from models drawn from European religions pushing for new wider understandings Religions in Asian America provides a comprehensive overview of the religious practices of Chinese Filipino Indian Korean Japanese Vietnamese Cambodian and Laotian Americans How these new communities work through issues of gender race transnationalism income disparities and social service and the passing along an ethnic identity to the next generation make up the common themes that reach across essays about the varying

communities The first sociological overview of Asian American religions Religions in Asian America is necessary reading for those interested in Asians ethnicity immigration or religion in the United States

Creolization in the Americas David Buisseret, Steven G. Reinhardt, 2000 Creolization the process of cultural interchange in this case between peoples of the continents bordering the Atlantic Ocean is an important aspect of the American experience Language literature food dress and social relations are all affected by the interplay of cultures Only recently though have scholars fully begun to understand creolization as a mutual exchange rather than the acculturation of colonized peoples to a dominant culture Focusing on diverse settings and different aspects of culture five scholars here examine the process of creolization its origins historical and modern meanings of the term and the various manifestations of the complex continuing process of cultural exchange and adaptation that began when Africans American Indians and Europeans came into contact with each other While the authors vary in their approaches and in some respects their conclusions they essentially agree that the notion of cultural syncretism whether described as acculturation or creolization is a conceptual tool of crucial importance for analyzing the interchange that occurred between peoples of Europe and the Americas Contributors to this ground breaking volume and their respective chapters are David Buisseret The Process of Creolization in Seventeenth Century Jamaica Daniel H Usner Jr The Facility Offered by the Country The Creolization of Agriculture in the Lower Mississippi Valley Mary L Galvin Decoctions for Carolinians The Creation of a Creole Medicine Chest in Colonial South Carolina Richard Cullen Rath Drums and Power Ways of Creolizing Music in Coastal South Carolina and Georgia 1730 1790 and J L Dillard The Evidence for Pidgin Creolization in Early American English Buisseret also contributes an introduction that places the other articles within the context of recent scholarship on creolization

A Stitch in Time Aimee E. Newell, 2014-03-15 Drawing from 167 examples of decorative needlework primarily samplers and quilts from 114 collections across the United States made by individual women aged forty years and over between 1820 and 1860 this exquisitely illustrated book explores how women experienced social and cultural change in antebellum America The book is filled with individual examples stories and over eighty fine color photographs that illuminate the role that samplers and needlework played in the culture of the time For example in October 1852 Amy Fiske 1785 1859 of Sturbridge Massachusetts stitched a sampler But she was not a schoolgirl making a sampler to learn her letters Instead as she explained The above is what I have taken from my sampler that I wrought when I was nine years old It was w rough t on fine cloth and it tattered to pieces My age at this time is 66 years Situated at the intersection of women s history material culture study and the history of aging this book brings together objects diaries letters portraits and prescriptive literature to consider how middle class American women experienced the aging process Chapters explore the physical and mental effects of old age on antebellum women and their needlework technological developments related to needlework during the antebellum period and the tensions that arose from the increased mechanization of textile production and how gift needlework functioned among friends and family members Far from being solely decorative ornaments or functional

household textiles these samplers and quilts served their own ends They offered aging women a means of coping of sharing and of expressing themselves These threads of time provide a valuable and revealing source for the lives of mature antebellum women Publication of this book was made possible in part through generous funding from the Coby Foundation Ltd and from the Quilters Guild of Dallas Helena Hibbs Endowment Fund
