## **Quit Pulling My Leg:**

The Sixth William John Neely Davis, 2012 In an Alaskan bar Creighton Roane watches a TV news story about multiple gruesome murders that have occurred in a mountainous region of Tennessee He is stunned when he recognizes the murder scene as the Findhorn River and the rugged Arn plateau his childhood home Memories stirred by the newscast develop into recurring nightmares as Creighton becomes aware of his own needs to see the mountains of his childhood and of reconciliation with his father But the Findhorn valley hides whiskey making murderous clans and revenge killings that span generations An ancient stone fort sitting on the Arn plateau houses its own mystery of the massacre of the moon eyed people and of the mentally unstable killer who gives his victims an amulet for their trip to the hereafter Wrapped around all this is the gut churning rapids of the Findhorn and the effect it has on those challenging its treacherous waters **A Need to**

**Belong** I. F. Rose, 2000-04 From birth David Rozinsky fought to belong first within his dysfunctional family a mother who hated him and favored his twin brother and a milquetoast father who obediently kept his distance then as he matured for acceptance in the land of his birth only to find that he must pay for its undeniable freedoms and creature comforts with barbs of intolerance and a threatened loss of identity When he and his wife finally say enough and emigrate to Israel the struggle for a place to belong takes on a different reality as they try to adjust to a foreign mentality and David fights to pierce the bond between ex army cronies who feel threatened by his talents and special skills At the end comes the question Which world will he choose **Husband Hunters** Rick R. Reed, 2019-10-30 You never know where the love of your life might turn

up When Matt Connelly suggests to his best buddy Cody Mook that they head to downtown Seattle to audition for the gay reality TV show Husband Hunters both agree the experience might be a lark and a chance to grab their fifteen minutes of fame What they don't know is that the show modeled after HGTV's House Hunters will open doors of longing neither expected For Matt the secret love he has long harbored for Cody might be thrust into the spotlight Cody might realize his search for his perfect forever man extends no farther than the man who's always been at his side Husband Hunters promises laughter tears and just maybe a happy ever after Will Cody and Matt's story be one of best friends to lovers or an outright disaster I'm No Hero Henry Friedman, 2011-07-01 Henry Friedman was robbed of his adolescence by the monstrous evil

that annihilated millions of European Jews and changed forever the lives of those who survived When the Nazis overran their home town near the Polish Ukrainian border the Friedman family was saved by Ukrainian Christians who had worked at their farm Henry his mother his younger brother and a young schoolteacher who had been hired by his father when Jews were forbidden to attend school were hidden in a loft over the animal stalls at a neighbor's farm his father hid in another hayloft half a mile away When the family was liberated by the Russians after eighteen months in hiding Henry at age fifteen was emaciated and too weak to walk The Friedmans eventually made their way to a displaced persons camp in Austria where Henry learned quickly to wheel and deal seducing women of various ages and nationalities and mastering the intricacies of

dealing in the black market In *I m No Hero* he confronts with unblinking honesty the pain the shame and the bizarre comedy of his passage to adulthood The family came to Seattle in 1949 where Henry Friedman has made his home ever since In 1988 he returned with his wife to Brody and Suchowola where he succeeded in finding Julia Symchuk who as a young girl had warned his father that the Gestapo was looking for him and whose family had hidden the Friedmans in their loft The following year he was able to bring Julia to Seattle for a triumphal visit where she was honored in many ways although as Friedman writes in her own country she had never been honored with anything except hard work Like many other survivors Henry Friedman has found it difficult to confront his past Like others too he has felt the obligation to bear witness Now retired he devotes much of his time to telling his story which he believes is a message of hope to thousands of schoolchildren throughout the Pacific Northwest He has received national recognition for his role in establishing the United States Holocaust Museum in Washington DC and as a founder of the Washington State Holocaust Education Resource Center **E**
